Sir,

/Through the Accountant-General/

In continuation of para 3 of my letter R.C.No. 6847 dated 14-9-18 and with reference to G.O.No. 1549 Home (Education) dated 4-12-18, I have the honour to state that the Principal, Ceded Districts College, Anantapur, reports that prior to the purchase of the bicycle the teacher in charge of the Secondary Training class had actually incurred an expenditure aggregating Rs.40/- on account of conveyance from 20-2-18 to 31-12-18 and suggests that that amount should be made good to him. I beg accordingly to

request

request that payment of this sum to the teacher in question may be sanctioned, the charge being met from the allotment under 'Allowances' for the college in the current year's budget, to which reappropriation of funds will be sanctioned by me, if necessary. The arrangement is analogous to that sanctioned in G.O.No.1503 Home (Education) dated 27-11-18 in which sanction has been accorded to the grant of conveyance allowance of Rs.5/- per mensem to the teacher of the Secondary Training class attached to the Government Training School, Nellore with effect from the date of his taking charge of the class.

I have the honour to be,

Sir,

Your most obedient servant,

The question will be found fully
discussed in the notes on pages 2-6 of

obtaining the views of the A.G., it was
finally decided to grant the teacher

For the Registrar

The D.P.I. recommended the
grant of a conveyance allowance of Rs 12 1/2 per. to the
teacher in charge of the Secondary Training Class of
the Coed District College, ^{Mandapam} but the proposal was vetoed -
R vide pp 508 Home (Ed) & 20/4/18.

The Director now reports that the teacher
in charge had actually incurred an expenditure
aggregating ~~Rs 40~~ Rs 40 for conveyance charges from
20.2.18 to 31.12.18. and requests sanction ^{for} the payment
of this amount to the teacher. It is not known why
any expenditure is claimed when the allowance applied for
has been vetoed. Even if any expenditure is claimed
it should only ^{be} from 20.2.18 till the receipt of pp 508
Home (Ed) & 20/4/18, any claim for hiring a conveyance
after the date of the receipt of this go. should not be enter-
tained.

as it is in contravention of this order. It is therefore submitted that all that is reasonable is the claim for expenditure incurred by the teacher from 20.2.18 up to the date of the receipt of Rs 508 House (Govt) & 204.18 as stated above. For orders whether this will be accepted in financial.

17.2.19

U.S. 20.2.19

In G.O. 508, dated 20-4-18 the D.P.I. asked that an allowance of Rs 12/8 a month should be paid to the assistant in charge of the secondary training secn. at the Ceded Districts College, Anantapur for a carriage allowance since he had to walk 1 1/2 miles in the middle of the day from one school to another. This was refused but Mr Stone was informed by D.O. that Govt. ^would be prepared to sanction a cycle allowance of 5/- a month if recommended. In G.O. 1549 dated 4-12-18 the supply of a cycle at Govt. cost to the College was sanctioned. Now the D.P.I. asks Govt. to sanction a sum of 40/- to the teacher for money actually spent in conveyance charges prior to the purchase of the cycle. As a precedent he cites G.O. 1503 dated 27-11-18 ; this however does not seem to apply, for in the present case Govt. have not sanctioned a conveyance allowance at all but have bought a cycle for the College which the teacher will be able to use if he wishes. As he has no conveyance allowance now he cannot have an allowance in retrospect.

Registrar

With reference to the Financial department note above, it is submitted that orders sanctioning the purchase of a bicycle for the use of the teacher in charge of the secondary training class, Anantapur, were issued only after a lapse of ten months from the date of opening of the class. It is stated that, in the meanwhile, the teacher did incur an expenditure of Rs 40/- on conveyance charges and it does not appear to be fair that he should be asked to meet this sum from his own pocket. Besides the teacher in charge of the secondary training class, Nellore, was granted a conveyance allowance, with retrospective effect, from the date on which he took charge of the class, in order that he might not suffer pecuniary loss, and there appears to be no reason why the teacher in charge of the secondary training class, Anantapur, should be accorded a differential treatment and asked to meet the expenses incurred ~~by him~~ conveyance charges from his own pocket.

2. It is submitted that the file may be circulated to H.E. and H.M.(Financial) for orders whether, as suggested by Financial, the D.P.I's recommendation should be vetoed.

Financial Dept

With reference to the Home Secretary's note above, attention is invited to portions marked B & C in Financial office note on page 2 and his note on page 3 above. From this it will be seen that the question of the teacher having incurred an expenditure of Rs 40 on conveyance charges has been considered. It is even stated in the office note that if any amount is claimed it should only be from 20.2.18 till the receipt of Rs 508 Home (Edn) 8204 is and that any claim for hiring a conveyance after the date of the receipt of the fo. should not be entertained.

As pointed out by the H.S. in his notes on page 3 above the precedent cited - No. 1503 Home (Edn) 827.11.18 does not apply for the fact have not sanctioned a conveyance allowance in the present case, and as the teacher has no conveyance allowance now he cannot have any allowance in retrospect. There is however no reason why, if thought advisable, this sum of 40/- should not be sanctioned - cf. Vol. of Accountant General at p 6 of vol. 10 Q 24 d 9.1.19
