Through The Accountant General, Madras.

Sir,

I have the honour to address Govern-
ment regarding my service qualifying for
pension, as I have been permitted to retire from
the 1st April 1919. My qualifying service under
article 371 Civil Service Regulations commenced on
the 14th July 1910, the date from which Mr. Thurston
retired, and my total service upto the 31st March

1919 amounts to 8 years, 8 months and 18 days, out of which a period of 2 months and 24 days spent on special leave in 1912 has to be deducted, leaving a balance of 8 years, 5 months and 24 days. To this 5 years are added under article 403 Civil Service Regulations, thus making 13 years, 5 months and 24 days. Under article 468 Civil Service Regulations fractions of a year are not taken into account in calculating pension, hence my pension would be calculated on the basis of 13 years completed service, which would be $\frac{13}{60}$ of my average emoluments.

2. I would however submit that besides my qualifying service and in direct continuity with it I rendered an acting service of 1 year 7 months and 4 days, from the 10th December 1908 to the 14th July 1910 as shown below:-

1908	22 days
1909	1 year
1910	6 months and 14 days.

Under article 423(2) of the Civil Service Regulations the Government may condone a deficiency in an officer's qualifying service, not exceeding half his non-qualifying service, subject to a maximum of

12 months in all. If the Government be pleased to grant this concession to me, my total qualifying service will be raised to 14 years.

3. I have accordingly the honour to request that you will be so good as to move Government to condone a deficiency of 6 months and 6 days in my service to enable me to complete 14 years' qualifying service for pension under article 423(2) Civil Service Regulations.

I have the honour to be,

Sir,

Your most obedient servant,

J. N. Henderson.

Superintendent.
