From (Name) The Hon'ble Mr. R. Littlehailes, M.A.

(Designation) As Director of Public Instruction

Madras.

To The Secretary to the Government of Madras,

Home/Education/ Department.

Sir,

VII

In their order No. 1221, Home/Education/ dated 13th September 1918, Government sanctioned the continuance of the domestic science classes for European schools up to the 31st March 1919 and stated that the retention of the services of the temporary lecturer and of the assistant lecturer in domestic economy would have effect up to that date. I would invite attention to Sir Henry Stone's letter Ref on Cur No. 6595/18 dated 15th August 1918 from which it will be seen that he asked for sanction up to the 31st March 1919 only pending the consideration of the question of extending the benefits of the classes to non-European

schools, or at any rate to teachers in them. Since then, the views of Miss Harding and Mrs. Drysdale have been obtained on the question. The former considers the teaching of domestic science in Indian schools very desirable and thinks that a syllabus can be framed, adapted to Indian requirements; whereas Mrs. Drysdale is of opinion that the teaching of the various branches of the subject in Indian schools is impracticable on account of the mixed nature of the staffs and of the fact that most of the pupils are caste Hindus. Miss Harding visited some of the important schools for Indian girls in this city and she reports that the heads of all the schools were most sympathetic towards the proposal to extend the benefits of the domestic science classes to Indian schools, though it is probable that the teaching of cookery will be a difficulty in Indian schools. The matter requires further discussion and I am arranging for this. In the meantime, however, I have the honour to request sanction for the continuance of the classes up to the 31st March 1920 and for the retention of the services of the temporary lecturer and of the assistant lecturer in domestic Economy up to that date. The necessary provision has been made for the purpose in the budget for 1919-1920.

I have the honour to be,

Sir,

Your most obedient servant,

R. A. Arundel

In the C.S. stated the Govt. may agree to the continuance of the scheme of domestic science classes up to 31st March 1920. It may also be necessary to sanction the retention till that date of the clerk's post on Rs 25 p. M. sanctioned in No. 1106 Edn., d/ 21st Oct. 1916 for the European Special classes centre which comprises, besides the domestic science section, the manual training and Physical Training sections also. As the Director has not specifically asked for this, no mention is made of it in the draft.
