From (Name) The Hon'ble Mr. R. Littlehales, M.A.,
(Designation) Ag. Director of Public Instruction.

To The Secretary to the Government of Madras,
HOME (EDUCATION) Department.

Sir,

I have the honour to submit for the favourable consideration of Government the case of three Toda boys admitted into the Municipal High School, Ootacamund.

2. Mr. F.J. Richards, the Collector of Coimbatore, to whose initiative their admission is due has recommended them for special treatment and I agree with him that the Todas have strong claims to consideration. Mr. Richards pointed out that it was extremely difficult to induce the parents or guardians of boys to allow them to attend a secondary school and that it was in which persuasion had been successful.

attendance. He hopes that a few Todas who have been more highly educated than the rest of their community may exercise a beneficial influence on their fellows and possibly help to arrest the disintegration and decay of an interesting tribe. It is recommended that as a special case each of these three pupils may be granted a scholarship of Rs. 6/- per mensem. They may be awarded by the Inspector of Schools, 8th Circle, payable in advance subject to regular attendance and satisfactory progress and conduct.

The cost of these proposals will be Rs. 216/- per annum and it is requested that provision may be made accordingly in the next year's budget, if possible. If this cannot be done the cost will be met by re-appropriation.

The expenditure for the current year will be Rs. 90/- as the scholarships may have effect from 1st November 1918, the pupils having been admitted one late in October and the other two early in November. The necessary re-appropriation statement will be submitted on receipt of the orders of Government.

I have the honour to be,

S i r,

Your most obedient servant,

R. A. Arine.
