C. F. 20.
Application for exemption from the Examination rules of an unpassed candidate for employment in the office of the Chief Engineer for Irrigation, Madras.

Name, age and educational qualifications of the unpassed candidates for whose exemption sanction is sought.	(1) Passed the old Middle School Examination in 1890. (2) Completed the prescribed course of study etc. in the late draftsman's class of the College of Engineering Madras but failed in the final examination.	The post in which it is proposed to employ him and nature of the appointment, i.e., whether acting or sub. pro tem. or temporary.	Permanent clerk.	The sanctioned pay of the post and the pay proposed to be given to the unpassed candidate.	Rs 25/- per mensem.	The examination from which exemption is sought.	The examination prescribed in Rule 1 of the Public Service Notification for clerks whose pay exceeds Rs 20/- per mensem.	The period for which the appointment is expected to last.	Permanent.	The period for which sanction is now sought (with dates of commencement and termination).	Permanent.	Is this a first application or one for a renewal of a previous sanction? If for renewal, quote the previous order granting sanction and state for how long the candidate has already been exempted.	First application.	What steps have been taken to procure the services of a passed candidate and with what result?	In G.O. No. 106 Financial, dated 4-2-1919, a permanent clerk on Rs 25/- per mensem has been sanctioned for the technical section of this office. The clerk has to be in charge of maps and plans and other records of a purely technical nature. A man who possesses the general education qualification prescribed in the Public Service Notification will not be of much use and it is decidedly preferable to appoint a man who has had some training as a draftsman, even though he may not be qualified under the ordinary examination rules prescribed for clerks. His duties are primarily to be in charge of technical section records. The candidate now selected is a failed draftsman. He has had good experience in the Record work of this office. He has also had some training as a draftsman in this office and he is considered more suitable than one having only the ordinary educational qualifications.	Recommendation of the head of the department.	9	Remarks.	10
