Subject. Vacancies in the Indian
Educational Service

It is ~~submitted~~ presumed that the Govt of India desire to have particulars only in respect of permanent vacancies in the Indian Educational Service. Till recently, the following were the permanent vacancies in that service:—

- (1) Headmaster, Central High School, Mercara
- (2) Professor of Geology, Presidency College.
- (3) Vice-Principal, Teachers' College, Saidapet.
- (4) Junior Professor, Training College, Rajahmundry
- (5) Inspector of Schools, Circle
- (6) Professor of English, Presidency College.

This Govt recommended the

confirmation of Messrs Brierley, Rammuni Menon + Papworth in the posts numbered (1), (2) and (4) above. The Secretary of State has sanctioned this ^{proposal} recently.

2. As regards the vacancy in the post of Inspector of Schools, I Circle, this Govt have recommended the appointment of Mr. N.R. ~~Kato~~ Krishnamma in it. No orders have yet been received from the Govt of India on this recommendation.

3. As regards the post of Professor of English, Presidency College, the Secretary of State has been requested to recruit a suitable officer for it from England. The Govt of India has been informed of this fact.

4. The only vacancy that still remains to be considered is that of Vice-Principal, Teachers' College, Saidepe. It has been proposed separately.

Sectt.

The incumbent of this post is at the present moment is Mr. M. C. S. Anantabhadra. He has been there only since July last. Mr. R. S. Sahib, who has been for a long time acting as Principal, is now acting as Principal of the College. They are not even ~~acting~~ drawing their salaries. It does not seem that their names should be sent up. They are merely temporary stop gaps. It has been definitely decided to recruit an officer from Europe - a fact which clearly shows that none of the above two officers are to be considered in connection with the vacancy.

- separately to address Secy of State for the ment of an officer for post in England. They will now have to be to the Govt of India. He is.
5. When the post of ist. which is now ~~vacant~~ vacant is filled per. by the promotion of the existing officer the Indian Education Service, a permanent vacancy will arise in Service. But none has yet been appointed - permanently as Director.
6. A permanent vacancy will also arise on the retirement of Mr. Jones, Prof of Physics, Presidency. For the present he has granted only ~~a~~ long leave ^{from July next}. It is proposed separate address the Secretary for the recruitment of officers for this post.
7. The file relating to them

There is only one permanent vacancy
(besides the vacancy in connection with
filling up of the D.P.'s post). It has
been decided to address the Secy of the

High School, Mysore. I see no objection thereon

I agree with A supra. We should also inform 'India' of the qualifications of the Temporary incumbent, that we do not consider him a suitable person for confirmation in the post and that we are addressing the Sec. of State with regard to the recruitment of a suitable officer.

W. 5.3.19

I have written above on the assumption that we are committed to 'India' to the appointment of Mr. Dinsley to the Headmaster Ship of the Central High School, Bangalore. I see no objection there.

provided we are allowed to utilize Mr. Brierley's services in the Madras Presidency where and so long as we consider it in the best interests of the public service to do so. If, however, the Chief Commissioner of Ceylon is held to have a prior claim on the services of Mr. Brierley, I should prefer to have him posted to some vacant post in the Madras Presidency - either as vice principal of the Teachers' College, Saidapet, ~~or as vice principal of the~~ ^{"India"} ~~the~~ "India" should be informed that one vacancy was at the High School, Madura or as Inspector of Schools & District Circle, and this ^{latter} requires that our recommendation regarding Krishnamoorti would have to be changed so that he would fill the post of vice Principal of the Teachers' College of Saidapet; in either case.

In Letter No 5, dated the 3rd January 1918, this Govt recommended that Mr. Brierley might be confirmed ~~in the~~ as Inspector of Schools in the Indian Ed. Dept. Subsequently, however, this recommendation was modified ~~the~~ and the Govt of India were told that he might be confirmed

confirmed as headmaster, Central high school, Mercara and that Mr. Krishnamma might be appointed in the vacant post of Inspector. The Secretary of State has sanctioned the confirmation of ~~the~~ Mr. Brierley in the Indian Educational Service. No orders have yet been received in regard to the confirmation of Mr. Krishnamma.

2. The D.P.I is anxious to retain Mr. Brierley in this Presidency and apprehends that his ^{Confirmation} ~~confirmation~~ as Headmaster of the C.H.S. Mercara, will give the claim to the Chief Commissioner to demand his services. Though we have told the Govt of India that we would desire to appoint Mr. Brierley as headmaster, we have not yet notified him as such. While there is no objection to alter the previous decision and appoint Mr. Brierley to any of ^{the} substantive vacancies in this Presidency, there is no harm in his being confirmed as headmaster as a paper appointment and ⁱⁿ taking him away for other work in this Presidency. The only undertaking we have so far given to the Commissioner in Coorg is to post a European officer to the appointment. Though the department have been consulting the Commissioner before actually posting an officer, the Coorg authorities have not, till now, insisted on the appointing of any particular officer. So long as a European officer of the department is posted there, our obligation seems fulfilled.

In the circumstances, it seems unnecessary to alter the previous arrangement and the vacancy of vice-Principal may be reported to India.

If, however, it is thought better to avoid any risk of Mr. Brierley being taken away to Coorg, there is no objection to the post in Mercara being reported to India as being vacant, Mr. Brierley being appointed as Vice-Principal of the Teachers College. In that case the draft despatch in the main file relating to the ~~fixing~~ filling of vacancies in the Indian Educational Service, where it has been proposed to recruit an officer for the post of Vice-Principal, Teachers' college, Saidapet, may be altered, the headmaster of the Coorg school being introduced in the place of Vice Principal.

I do not think it is necessary to change our recommendation.

In reply to India, there is the contingent vacancy in connection with Dr. Sumner's proposed appointment as Forest Chemist.
