R. C. No. 8837/18

Station Madras, Dated the 18 December 1918

From (Name) the Hon'ble Mr. H. S. Duncan, M. A.,
(Designation) Ag. Director of Public Instruction
MADRAS.

To The Secretary to the Government of Madras,
HOME (EDUCATION) Department.
/Through the Accountant-General, Madras/.

Sir,

I have the honour to address Government on the subject of the employment with effect from 1st December 1918 of a temporary Secondary Grade teacher on Rs. 40/- in the Government Girls' School, Tiruvannamalai, in place of the two temporary Assistants - one on Rs. 25 and the other on Rs. 12 hitherto employed in it.

2. The staff of the school consists of six permanent teachers on Rs. 20, Rs. 14 and 4 (Rs. 12) and 4 temporary

teachers on Rs.30, 25 and 2 (12) sanctioned in G.O.'s Nos. 1453 Home (Education) dated 17th November 1917 and 1138 Home (Education) dated 4th September 1918. In the latter ^{Proceedings} ~~order~~ Government ordered that the full staff of temporary teachers should be retained only if the strength of the school justified their employment. It has now been brought to my notice that there is a fall in the strength of the school due to the opening of a Mission Girls' School in the town and of a Municipal Girls' School in its vicinity. The Inspectress, therefore, considers that the school can work with nine teachers instead of ten and that one of the temporary additional teacher's posts on Rs.12 may be abolished with effect from 1st December 1918 the date on which the sanction accorded by Government to the retention of the temporary additional mistress's post on Rs.25 expired. At the same time, the Inspectress strongly recommends that as there is not a single secondary grade teacher in the school, the 2nd temporary additional teacher's post on Rs.12 be converted into one on Rs.40, with a view to obtain the services of a trained secondary grade woman teacher which cannot be secured for a smaller pay. I concur in the Inspectress's latter proposal that there should be a Secondary grade teacher on Rs.40 in the school to handle efficiently the three highest standards in the school, viz., the VI, VII and VIII which are 6, 3 and 3 strong respectively, but in view of the slight fall in the total strength of the school I consider that it will be sufficient if a temporary post on Rs.40 be created in lieu of the temporary post on Rs.25, the sanction for which expired on the 1st instant and the temporary post on Rs.12, the discontinuance of which

Why should these have been recognized then?

has been suggested by her. The Inspectress whom I have since consulted has no objection to my proposal and I, therefore, beg to request that you will be so good as to obtain the sanction of Government for the creation of a temporary additional teacher's post on Rs.40/- in the school for a period of one year with effect from 1st December 1918 ~~and~~ in lieu of the two temporary posts referred to above.

2. The extra cost involved is Rs.3 per mensem only or Rs.9 for the three months of the current year and can be met from the anticipated savings under the provision for salaries of the staffs for Government Girls' Schools in the current year's budget and I beg to request that the necessary provision may also be made in the next year's budget.

3. I have told the Inspectress to dispense with the services of the two temporary teachers on Rs.12 and 25 referred to above.

I have the honour to be,

Sir,

Your most obedient Servant,

NOTES.

Home (Edn.)

Lo. 33/B, from the D.P.D., R.E. 8837/18, dt. 18.12.

In connection with
the present proposal, the following
points require notice:-

(i) It is stated "that there is a fall
in the strength of the school due to the
opening of a mission girls' school in
the town and a municipal girls' school
in its vicinity". Apparently these two
schools are recognized and aided by
the Deptt. and it is not known how
they came to be recognized, so as to
prejudice the interests of a well
established Govt. school.

(ii) Again, it is stated: "that there is
not a single secondary grade
teacher in the school" is not under-
stood. For while proposing the employ-
ment of a temporary ^{head-}teacher on Rs
30 p.m., the D.P.D. stated in his letter
R.E. 5831, dt. 26th July 1912 that a
secondary trained mistress ^{was indispensable}
necessary and would be secured for the new post.
It has now to be presumed
that the sanctioned pay of Rs 30 p.m.
has been made available for a
lady of inferior attainments.

(iii) Information has not been

furnished as to the present strength of the School and how it is distributed over the several standards in the School. In the absence of such information, it is not possible to judge of the need for such a highly paid teacher as the one on Rs 40 now suggested by the Director. In any case the scale of teaching staff given in rules 81 & 82 of the Madras Educational Rules should ordinarily be adopted.

2 Submitted that the case may be permitted back to the D.P.D. with refer: to the foregoing remarks.

was not in favor of considering schemes for providing additional accommodation during the war, hence the accommodation remained limited, and girls had to seek education in other schools. There is room for all the existing schools in this place.

(ii) Please refer to G.O. No 1166, Home (Ed.) S. 11.9.17 and the ^{recommendation} of the Director leading up to the issue of this G.O., wherein the position is explained.

(iii) The strength of the school is:

Class:	I	II	III	IV	V	VI	VII	VIII
No:	80	63	50	25	21	5	3	3

The strength of the higher elementary classes is 11 and a secondary grade woman teacher appears necessary for this strength of higher elementary classes. A Hindu woman teacher cannot be obtained for less than Rs 40 p.m. and it is suggested that Govt. direct that this salary be given only ~~to~~ provided that a secondary grade woman teacher is appointed.

A. of D. P. 9's note:- The reason assigned by the present D. P. 9. for a drop in the numbers attending the school is something different from what appears in Mr. Duncan's official letter. In fact there is a definite slack. The effect that the dwindling of numbers is due to the opening of a Mission girls

"School in the town & of a Municipal
 "girls' school in its vicinity". It is also
 significant that the school building
 with the same area, modulation could
 hold as many as 315 in 1915 and 317
 in 1917 as against the present 250.

'B' of D. P. 9's note :- The Director's
 letter in G.O. No. 1166 Edn, dt/ 11th Sep. 1917,
 to which attention is now called, seems
 to show, if at all, that the proposal therein
 was made more with a view to retain
 T. A. Subrahmanya Ayyar in the school.
 Subsequent experience has also shown that
 the school has not been able to
 maintain its strength. This
 set of circumstances may perhaps justify
 the re- placement of Subrahmanya
 Ayyar by a Secondary trained mistress.
 But it has been urged by the D. P.
 that an Indian Christian mistress
 alone could be had for Rs 30 a
 that a mistress of that community
 would not be suitable for such
 orthodox place as Tiruvannamalai

and the scale proposed by the D.P.D.:-

Standard	Strength	Staff admis- Sible under Ed. Rules.	Existing Staff
----------	----------	---	-------------------

I	80	2 on Rs 12	2 on Rs 12 2 on (1 temp 1 per)
II	63	2 on Rs 12	2 on Rs 12 2 on (1 temp 1 per)
III	50	2 on Rs 12	2 on Rs 12 1 on 1 on R
IV	25	1 on Rs 15	1 on Rs 14 1 on
V	21	1 on Rs 20.	1 on Rs 20 1 on (temp)
VI	5	1 on Rs 25.	1 on Rs 25 1 on (temp)
VII	3		(temp)
VIII	3		1 on Rs 30 (temp)

9 teachers (Rs 132) 10 (Rs 161) 9 (Rs 164)

From the foregoing, it

will be seen that the staff proposed by the Director costs Rs 164 p.m. against Rs 132 admissible under the Education Rules and against Rs 161 more increased on the staff. In view however of the fact that the D.P.D. has been on employing a secondary trained Headmistress and of the fact that the extra cost is only Rs 3 p.m., it is ~~submitted that~~ ^{submitted that} the proposal to employ ^{Headmistress} ~~on Rs 40~~ instead of two on Rs 25 & 12 p.m. may be agreed to. The sanction may hold good for a year from 1st March 1919, instead of from 1st Dec. 1918, as proposed by the Director. The case may go to Finl. W/o for remarks.

From the statement on page 5 ante, it will be seen that the existing and the proposed staff in the girls' school, Tiruvannamalai, are considerably in excess of the scale admissible under the educational rules. However, the D.P.S. states that the school should have a secondary trained ^{woman} teacher and that such a teacher (Hiddu, who is considered essential) cannot be had for less than Rs 40. In the circumstances, the proposal to have a post in the school on Rs 40 may be agreed to.

2 As stated in the Home (ED) note on page 1 ante, the existing post on Rs 30 was created so as to secure a secondary trained ^{headmistress} teacher - Vide page 1 of S.O. 792 Ed. 8 29.8.12.

One Subramania Ayyar, who is not a secondary trained teacher, was subsequently appointed to ~~be~~ this post as head of the institution under

special circumstances - S.O. 1166 Ed. 8 11-9-17.

This Subramania Ayyar is to be replaced ^{now} and it seems that, when a ^{special} post for a secondary trained ^{headmistress} teacher is created, the post on Rs 30 previously allowed for the purpose, should be abolished instead of the post on Rs 25 as proposed by the D.P.S. Orders are solicited whether Home Dept. may be requested to sanction the arrangement mentioned at X above.

The discontinuance of the temporary teacher on Rs 12, on account of the fall in the strength of the school, may be agreed to.

3 If the above suggestions are adopted the proposals will result in a net saving of Rs 2 p.m. The new arrangements may be sanctioned ^(for one year) with effect from the date of the order. On receipt of a copy of Home Dept. proceedings the A.S. may be asked to make the necessary modifications in the budget for 1919-20.

With reference to 'K' in file: note on the previous page, it is noted that the D.P.D. has not stated whether it would be possible to shift Mr.

Subrahmanyan Rajarat, the present teacher on Rs 30 in the school, without ^(inconvenience) to the school. The Stat. in the office note at

'Z'-p.4 ^{ante} was merely an inference. It may be observed that the Director has ^{long ago} instructed 2 Subject to orders a draft headed

on file: note is noted. We may reopen

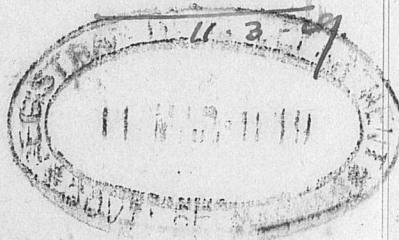

the question if the D.P.D. is dissatisfied with the orders and comes up again to reconsider them.
