I therefore request that His Excellency will take up this matter into deep consideration and to safeguard the interests of the Non-Brahmin students who are entirely at the mercy of Brahmin teachers.

3

Resolutions carried at the meeting held
on 26-2-19.

(1) This meeting is of opinion that the existing system of selection of students by the school authorities for the School Final Examination is more injurious to the Non-Brahmin advancement and urges the Government to veto that principle and advise all school authorities to leave it to the option of the students and parents to appear for the examination.

(2) This meeting also requests the Government to call for a statement from the school authorities showing separately the number of Brahmin and Non-Brahmin students sent up and not sent up for the School Final Examination this year and also call for an explanation from them for the heavy percentage of detention of Non-Brahmin boys as stated in the information of the anxious parents and some doubt is entertained in the matter of selection.
