Copy of letter from the Director of Public Instruction,
No.10609, dated the 11th March 1919.

I have the honour to submit herewith letter D.Dis.No.
1943 D.B. of 1918 dated 23rd October 1918 received from the
President, District Board, Godavari, and also ^{to} resubmit his
letter R.C.No.1637 D.B. of 1918 dated 9th December 1918 referred
to me for remarks in Government Memorandum No.6930-1 L, dated
21st December 1918.

2. The first letter is an application for a subsidy of
not less than Rs.2,000 towards the maintenance of the National
High School, Ramachandrapur. Taking into account the actual
receipts and charges of the institution according to the
financial statement for 1917-18, I find that the subsidy paya-
ble amounts to Rs.885 only as shewn in the margin. This may

Receipts.	Charges.	
Rs.11,262	Rs.12,147	
Net cost.	885.	

accordingly be sanctioned at a very early
date, the charge being met from the pro-
vision for payment of subsidies to local bodies in the current
year's budget. Credit has, however, been allowed provisionally
in the Godavari District Board Budget for Rs.1,000 on this
account for the current year and for the next. But the payment
of the subsidy next year may be made to depend on the Board's
satisfying the conditions laid down in para 2 of G.O.No.854 Home
(Education) dated 26th June 1917.

3. The President's second letter deals with the revi-
sion of establishment of the school. On a perusal of this
communication and also of the latest Inspection Report I am
satisfied that a revision is necessary. The scales of pay
now in force are fixed except in three cases, while the revised
rates proposed by the Board carry annual increments. I suggest
that this opportunity may be taken advantage of for introducing
the scales recommended by Sir Henry Stone for adoption in the
case of Secondary Schools and sanctioned by Government in
several instances recently. The present scales, those proposed
by the Board and what may be called the standard scales are
exhibited below:-

Please see separate sheet attached.

The President has not included in the proposition statement the four temporary teachers sanctioned in G.O.No.1685 L. Mis., dated 20th December 1918. Including them, the average cost per mensem of the existing scales amounts to Rs.889-4-0. The president's proposed scales which exclude the four temporary posts mentioned above amount to Rs.859-13-0 per mensem, while the average cost according to the scales I have suggested the increments in this case being biennial comes to Rs.866 per mensem leaving out of account Rs.100 the cost of the four temporary posts. The difference, it will be observed, is negligible. I consider that it will suffice to give effect to the revised scales from the beginning of the next school year. It may, however, be mentioned that the introduction of my scales will prove disadvantageous to the Headmaster who is now drawing Rs.160. His case may be covered by the grant of a personal allowance of Rs.10.
