The Inspector of European and Training schools in supporting the proposal recommends the employment of a Drawing master

2/ master also as at present there is no instructor in the school for teaching Drawing. The proposal commends itself to me and I have therefore the honour to request that Government will be pleased to sanction the opening of a higher elementary training class in the Government Training School, Kurnool, for a period of 22 months from 1-7-19 and the employment for the same period of a teacher in the probationary grade of the Sub Assistant Inspector's cadre and a Drawing master on Rs.20/- per mensem.

The intention was to appoint a ^{trained} graduate as first assistant and Rs 75 was considered the minimum pay which would secure the services of a suitable man. I do not think it absolutely necessary to appoint a trained graduate so long as the class is small and the responsibility light. A salary of Rs 40 per. will secure the services of a teacher of the secondary grade and I am prepared to open the class and run it ^(and with restricted number) temporarily with such a man. If the class prospers, develops and becomes permanent, it will be then necessary to appoint a trained graduate.
