[Despatch Abstract.]

Mr. Coombes.

Recording papers on the subject of the conversion of the I.E.S. acting allowance of Rs.100 per mensem drawn by Mr. Coombes into a duty allowance.

DEPARTMENT.

D.O.

COLLEGE,
The Reformatory,
Chingleput,
Station,

Date, 13th February, 1919.

Mr. Ramachandra Rao,

I applied lately for one of the personal allowances of Rs. 65/- in lieu of the allowance of Rs. 100/- for acting in the Indian Educational Service to enable me to draw a higher pension, but the personal allowance was given to Mr. Vas in our service.

2. I wish to take your advice in another matter. Is it possible to get my allowance of Rs. 100/- converted into a duty allowance for the period of the war? The Superintendent's allowance has lapsed to Government for the past 4 years and I have been doing the work of the Superintendent since September 1914.

3. Mr. Rajagopalachariar put this idea into my head and if you think it is possible to get this done, I will move in the matter.

Yours sincerely,
[Signature]
Ag. Superintendent.

The Hon'ble Dewan Bahadur
Ramachandra Rao, Avl.,
Secretary to Government.

Para 1 of the D.O.:-

In submitting recommendations in August last for the award of the temporary personal allowance of Rs 65 p.m. which was available consequent on the retirement of M.R. Ry. Raghavendra Rao, the D.P.J. (Mr. Duncan) clearly explained that the case of Mr. Goomber

was left out of account as it was
not intended that an officer of the
Provincial Educational Service in receipt
of an acting allowance of Rs 100 p.m.
in the Indian Educational Service should
be granted the personal allowance of
Rs 65. No mention was, however, made by
the Director about Mr Coombes's application
for the grant of the p.a. of Rs 65 in lieu
of the allowance of Rs 100 for acting
in the I.E.S. It does not seem necessary
to re-open this matter now.

2. Para 2 of the L.P.D. -

In regard to the request
of Mr Coombes for the conversion of his
present allowance to a duty allowance
it is submitted that the present allowance
granted to him is for acting in the I.E.S.
In filling up temporary vacancies in
the I.E.S. in this Presidency, two sets of
arrangements are generally made, one
for the actual discharge of the duties
appertaining to the vacant post and
the other for promotion to the Indian Ed.
Service from the P.E.S., the latter always
being regulated by seniority. Under
article 139 of the G.S.R. the Provincial
Educational officers acting in the I.E.S.

are paid an allowance of Rs 100 a
month each. It will thus be seen that
this allowance is not one granted for
any increase of work or responsibility.
Duty allowance is however granted
only in cases of increased work or
responsibility. It is thus obviously
impossible to convert the D.B.S. acting
allowance into a duty allowance.
His contention that the Supdt's allowance
of Rs 100 p.m. has lapsed to Govt in the
past does not also support his case.
It has been clearly pointed out on
more than one occasion that the Deputy
Supdt of the school is ineligible to
draw the special allowance attached
to the office of the Supdt. — vide Co's

3. It may be incidentally
pointed out, that the Hon'ble Sir Alexander
Carnegie recently remarked that something
was wrong in the management of the Reformatory
school in regard to the dieting of the boys
and that a change in the management
was desirable. He has suggested the
employment of a medical officer in the

place of Mr. Coombes ✓

A. Is it so? Whatene Mr. Coombes' personal demerits be, it cannot be denied that he has increased work & responsibility. Though the allowance be an I.E.S. allowance the Supt's post is one of great responsibility & in the case of Mr. Coombes it cannot be said that the allowance was 82 what change of duties or increase of responsibility?
