Most Respected Sir,

I beg to submit the following few lines for your honour's Kind Consideration:-

In obedience to G.O. No. 447 dated 12th Nov '18, I applied to the Assistant Commissioner Salt Department Central Circle Bellary, for a sub-inspector's post in his jurisdiction. In reply he wrote to me to say that I could not be entertained in the Government service without being previously exempted from the examination rules, but he suggested to me at the same time, to submit my application to Government through him, which he said he would forward with his recommendation with a view to provide me with an appointment in his department.

Accordingly I prepared a petition & sent it to the Asst. Commissioner who I understand forwarded it to the Deputy Commissioner with his recommendation.

But to my misfortune the Dy. Commissioner through whom my application had to go to Government refused to forward it, though it may be apparent from the recommendation made by the Asst. Commissioner that he was willing & prepared to entertain me in his department.

I beg to enclose herewith for your honour's perusal a copy of

the G.O. No 1447 dated 12th Nov '18 informing my widowed mother, that I should submit an application for exemption through an officer willing to entertain me in his department. (2) a Memorandum from the assistant Commissioner No 75 dated 10-1-19 (3) An order from the Deputy Commissioner No 206 dated 30-1-19 declining to submit my petition to Government.

I beg to submit that I have studied in the school Zinal. Class (1916-1917) but was unable to attend the Public Examination on account of severe illness. I believe I need not re-state the facts that my mother has already stated in her previous petition, to the effect that my late father, an Inspector of Police had died in harness, and that I am the grandson of Honorary Captain Usman Khan Subadar Major Sirdar Bahadur, who was Indian aide-de-camp to several Governors of the Madras Presidency and who had served in the Great Indian Mutiny and also served in other Campaigns. I beg also to submit that I was one of the first to join the Indian Defence Force where from I successfully passed through the military training.

I beg also to state, that I have an old widowed mother and a brother who is a student & other relations whom I have to help and support.

In Conclusion I implore your honour to kindly take this, my pitiable and unfortunate case into your Kind Consideration & so exempt me

the Government of India, dated 15th Nov 1918, in forming
the Public Service Commission, which is the
body responsible for the selection of officers for
the various departments of the Government.
I have studied the rules and regulations of the
