consider the application for an enhanced grant in connection with the distribution of Rs. 5.5 lakhs provided in the current year's budget for the development of elementary education. When the Director submitted proposals for the opening of new schools + for the strengthening of existing schools, he proposed an additional teacher for ^(each of) the two schools in question and also ~~the~~ provided for the payment of the additional subsidy required for rent + contingencies. ~~Additional~~ This was approved. and two months' charges on account of the employment of additional teachers. At the order sanctioning his ^(general) proposals issued only in January, the charge on account of the two teachers was reduced to the amount required for one month. The Chairman now asks that the ~~whole~~ amount required for a whole year ~~1918-19~~ should be sanctioned for 1918-19. With reference to this, it is submitted that the additional teachers ^{do} ~~are~~ not ^{appear to have been} employed ~~for~~ during the whole of the current official year. In his letter, dated the 26th July 1918, the Chairman stated that the Asst. Inspector had then recommended the employment of an additional teacher for the Adimulam Pillai Street School, & in his letter of 5th June 1918, he stated that a second teacher was necessary for the ^{other} school.

~~Presumably~~ It is not known ^(additional) from what date the teachers were actually employed. It is for consideration whether this information may be obtained or the Council may be told that any extra expenditure incurred by it on account of the additional teachers should be met from its own funds.
