To The Secretary to the Government of Madras,
HOME (EDUCATION) Department.

Sir,

In submitting herewith a copy of letter No. 6473/17-18 dated 26th June 1918 of the Secretary to the Trustees of Pachaiyappa's Charities, I have the honour to state that in the scheme approved in G. O. No. 687 Educational dated 26th July 1913 there was provision only for two latrines and that the addition of two more latrines is necessary in the circumstances explained in the Secretary's letter. The estimated cost for two latrines according to the original estimate was Rs. 1,586; while the cost of four latrines according to the present revised estimate comes

2/

to Rs.5,200. The extra expenditure involved is Rs.3,614/-. I recommend that the proposal may be approved and that an additional grant equal to one-half of the extra expenditure may also be sanctioned.

2. The revised estimate and the specification report are herewith submitted.

Letter Ref. No.6473/17-18 /dated 26th June 1918 from the Secretary to the Trustees of Pachaiyappa's Charities, Madras.

I have the honour to submit herewith for approval two copies of the revised estimates and specifications for constructing a block of four latrines of 41'-10½" by 10'-9" each, adopting the general design followed in the original and sanctioned drawings of the Pachaiyappa's Students' Hostel works at Chetput. Owing to the increased accommodation provided for by the addition of the second storey, it became necessary to double the latrine accommodation and therefore instead of two blocks as at first proposed four blocks have now been proposed to be constructed. In consideration of the very large increase in the prices of iron materials, iron framework and roofing materials, they have been substituted by brick work and Mangalore tiled roofing with the necessary teakwood materials and door shutters. This substitution has resulted in the alteration of the original dimensions of the latrine of 36' by 8" to 41'-10½" by 10'-9", having regard to the necessary foundations and dimensions of seats. The original estimate for the two blocks of latrines amounted to Rs.1586/- whereas the present estimate as per alterations detailed supra amounts to Rs.5200/-. I have to request that you will be good enough to sanction the construction of the latrines as per accompanying specification and estimates without prejudice to the question of a supplemental grant-in-Aid when the Hostel work is completed.
