26th October 1916 disposed of in G.O. No.1162, Home Department (Education), dated the 8th November 1916 granting similar exemptions to certain other clerks of this department. The clerk in question has put in more than 16 years service under Government and nearly 8½ years service in this department and is very well spoken of by the Port Officer, Pamban, a copy of whose endorsement on the petitioner's application is forwarded herewith for the information of Government. I consider the clerk is deserving of the concession and request that under the circumstances Government will be pleased to sanction his exemption to an appointment on pay not exceeding Rs.30/- per mensem in the Presidency Port service.

3. The form the submission of which is prescribed in the Educational Department Circular No.603, dated the 13th December 1906 is duly appended to this letter.

I have the honour to be,

Copy of letter from M.S. Chinnavappah, 2nd Clerk, Port Office, Pamban, to the Presidency Port Officer, Madras, thro' the Port Officer, Pamban, dated the 27th February 1919.

With reference to your order No.1454/2217-P, dated 23/24 October 1918 on the Port Officer's endorsement No.1207 dated 19-9-1918 on my petition dated 17-9-1918 for exemption from examination rules (communicated to me by the latter officer), I beg to request that you will kindly reconsider my case and be pleased to recommend to Government the exemption prayed for, as a special case.

2. I further beg to submit that I believe I am the only Mahomedan serving in the Port Department (Clerical branch) and that several Hindu clerks have been from time to time, exempted from the examination rules. I therefore pray that the same favour may be conferred on me, who has served nearly 8½ years in this Department. I acted for six months as Head Clerk of this office during the busy period of war and discharged my duties to the entire satisfaction of my superiors.

Submitted to the Presidency Port Officer, Madras, for favourable consideration in continuation of my endorsement No.1207, dated 19-9-18.

*Not received
in the office*
The petitioner, who I have studied for the past 4½ years, is in my opinion a hard working, conscientious and intelligent clerk, he has, to my knowledge, served many Port Officers at this port to their entire satisfaction, and during my long tenure of office at Pamban, I can safely state that the petitioner is a most capable clerk in every way.

A
During the period of war service Marine Transport work at this port, i.e. from the end of 1915 to June 1918, I found this man invaluable with the special clerical work which he W.S. Towing duties involved and I can state that the success of the towing seasons was due partly to the energy displayed by

by this clerk and his general adaptability to be special clerical work attached to Marine Transport duties, which were outside the ordinary routine of Port work.

In order to cope with the extra clerical work during those 3 years, it was a common thing for my Head Clerk and 2nd Clerk to remain in office until 9 and 10 P.M. and on closing office, they would take work to their homes to complete before my going afloat at 5-30 next morning.

It is with pleasure that I am able to recommend my 2nd clerk for exemption, and I would again request you will please favourably consider the above and kindly recommend to Government for his exemption from the Examination Rules.
