SENATE HOUSE, 13-3-19

FROM

FRANCIS DEWSBURY, ESQ., B.A., LL.B.,

Registrar, University of Madras,

TO

The Secretary to Government,

Home (Education) Department.

Sir,

With reference to correspondence ending with G.O. No. 475 dated the 11th April 1918, on the subject of the scholarship granted to Mr. S. Ramanujam, F.R.S., at Cambridge, I have the honour, by direction, to inform you that in November last a letter was received from Mr. G.H. Hardy to the effect that Mr. Ramanujam had been elected a Fellow of the Trinity College, Cambridge. His Fellowship is of the value of about £.250 a year for six years and to it are attached no duties or conditions either of work or of residence. On receipt of this letter the Syndicate resolved to recommend to the Senate that a grant be made from the University Vacation Lectures Account to Mr. Ramanujam of a further sum of £. 250 a year for five years from the termination of his present scholarship on the 1st April 1919 together with his actual expenses incurred in returning to India and on such passages from India to Europe and back as the Syndicate may approve of during the five years. This, the Syndicate hoped, would sufficiently supplement Mr. Ramanujam's income to enable him to continue his mathematical work free from financial anxiety and to keep in touch with European thought. This resolution of the Syndicate was in accord with suggestions previously received from Mr. Hardy, and anticipated a request from him for financial assistance to Mr. Ramanujam which was received on the 2nd January 1919. Mr. Hardy was informed of the proposals of the Syndicate and he replied "the whole plan is everything I could have wished"

2 I am directed to request that the Government will be pleased to sanction the Syndicate's proposals for the appropriation of funds from the Vacation Lectures Account to meet the expenditure involved. The balance in that account of Rs28,500 in Government Securities at $3\frac{1}{2}$ per cent should be sufficient.

3 At the meeting of the Senate held on the 7th March 1919, sanction was accorded to the Budget Estimates for 1919-20 which specifically included an allocation of a sum of Rs5,000 from this account to meet the proposed expenditure.

I have the honour to be,

Sir,

Your most obedient servant,

Francis Dwyer

REGISTRAR.

Subject:— Diversion of the University Vacation Lectures Fund for meeting the expenses connected with Mr. Ramanyam's stay in England for continuing his mathematical work.

In discussing the propriety of diverting the University Vacation Lectures Fund for the grant of a scholarship to Mr. Ramanyam, Govt considered the case as special and as justifying some irregularity — of para 2 of Mr. Francis's notes and para 1 of Mr. Home's note at p. 2 of the notes with Gov. no 182 (2d) d/12.2.14. The object of the diversion now proposed by the Syndicate is to enable Mr. Ramanyam to continue his mathematical work free from financial anxiety and to meet the expenses incurred in his voyage. Submitted that the Syndicate
