SIR,

I have the honour to forward for information of Government copy of letter, dated the 3rd December 1918, from the Private Secretary to His Excellency the Governor and to state that the cheque for Rs50,000 therein referred to was directed to be cashed at the Bimlipatam sub treasury and the amount credited to Government provisionally under the head XXXI-A Civil Works-in charge of Civil Officers - Provincial Contributions. As the purpose for which the contribution was made was not understood, a reference was made to the Director of Public Instruction who intimated that the amount of Rs50,000 might perhaps be half of a contribution towards the construction of a central block or of the science buildings of the Queen

Queen Mary's College, but that there was ^{however} nothing on record in his office on the subject. It has also been ascertained that there is no fund separately constituted such as the one referred to by the Private Secretary in the concluding portion of his letter. I would therefore request the favour of early orders of Government as to whether the amount should be credited in the accounts to Provincial Revenues under XIX-Education or XXXI Civil Works. If, however, the amount is to be credited as a trust fund for any specified object, the purpose of the contribution and the balance due may kindly be intimated.

2. The cheque for Rs50,000 was cashed at the Bimlipatam sub treasury on 20th January 1919. The credit in the accounts for the amount appeared originally under the head XXXI Civil Works but it has since been transferred to XIX-Education as it appeared to be a voluntary contribution in the cause of education.

I have the honour to be,

Sir,

Your most obedient servant,

Enclosure.

Copy of letter dated the 3rd December 1918 from the Private Secretary to His Excellency the Governor of Madras, to the Accountant General, Madras.

The Collector of Vizagapatam has received from the Maharaja of Jeypore a cheque for Rs50,000 on the Bank of Madras, Bimlipatam, in part payment of his contribution to the Queen Mary's College. As the cheque is made out to the Collector personally or order, he seems to think that it would probably not be safe for him to endorse and send it on to me. In these circumstances I have the honour to request you to be so good as to let me know whether the Collector may ask the Bank of Madras, Bimlipatam, to transfer the amount to the credit of the fund in Madras.

Copy of letter No. 210-S.E., dated 28-2-1919, from J.J. O'Reilly Esq., B.A., B.E., Executive Engineer, South Presidency Division, Madras, to the Supg. Engineer, V Circle, Madras:-

In continuation of my letter No. 147-S.E., dated 12-2-19, I have the honour to forward a post copy of a telephone message received by me from the Accountant-General, Madras, and to state that if contribution is realisable on account of the construction of the Central Block of Queen Mary's College for Women, the amount may be taken as a reduction of the grant, if any, to be allotted for the work in the final issue of the Budget of 1919-

I have informed the Accountant-General in reply to his message that I am not aware whether the work is a partial or a wholly contribution one..

Enclosure:

Post copy of telephone message dated 24-2-1919, from the Accountant-General, Madras, to the Executive Engineer, South Presidency Division:-

A sum of Rs. 50,000 has been paid by the Maharajah of Jeypore as part payment of contribution for the Queen Mary's College. The Director of Public Instruction to whom a reference was made states that the sum paid by the Maharajah is probably for the construction of the Central Block of the Science buildings of the Queen Mary's College. As no information on the subject is available in this office, will you please enlighten me on the following.

(1) Whether the work is a contribution or a part contribution work, (2) whether the work will be carried out by the Public Works Department, and (3) whether the amount is to be credited to the P.W.D. under III Other Remittances - Receipts on account of P.W.D. An early reply is requested.

NOTES.

Subject.

Debit of the Tanjore
Maharaja's donation
for the const. of a
central block to the
Queen Mary's College.

Rs 475/B, from the A.G. No. 15-23543, S. 2. (9)

from the Chamie-official

correspondence printed at p. 2 of the notes
to G.S. No. 1142-4 Ed. 1, d/ 3rd Sep. 1917 it will
be observed that the Maharaja of Tanjore
has promised a donation of one lakh of
Rs towards the construction of the central
block of the Queen Mary's College. From
the A.G.'s present communication it
seems that the Maharaja has paid Rs 50,000.
The question is raised as to how the amount
should be credited in Provincial accounts
— whether it should be credited to XIX —
Education or XXXI — Social Work or whether
the amount is to be credited as a trust
fund for any specified object.

2. It does not appear that any
trust should be created. The amount
is to be spent ^(once for all) on the construction of
the Queen Mary's College central block
mentioned in G.S. No. 107 W., d/ 27th

(F) Jan. 1919. The estimate for this work
amounts to Rs 2.45 lakhs and the P.W.D.
have been recently asked at the instance
of the D.P.D. to consider the feasibility of
making a suitable provision for this
item in the final edition of the Public

Work Budget. It might be possible to utilize in the first stages of construction the Rs 50,000 paid off by the Maharaja. The A. S. seems to be right in expecting the answer to XIX - Education. Financial may be consulted as to whether it is so. On return of the file, the A. S. may be given a definite answer and the case forwarded w/o to the P. W. D. for information.

The point is that 1 lakh will be required for expenditure ^(in 1919-20) for the construction of the central lock. Against this, there is the contribution of 50 lakh available from the Maharaja of Mysore. Financial may be requested (i) to arrange for the allotment of the one lakh required & (ii) to advise as to how the contribution of the Mysore Maharaja should be exhibited in Govt. Accounts -

It will ~~therefore~~ ^{consequently} not be available
