Q.174. Will the Government be
pleased to state when legislation
for the improvement of the elementary
education is likely to be introduced?

Home (20th) Dept

The Honble Mr. M. Ramachandra Rao asked a similar question at the meeting of the Legislative Council held on the 19th November 1918. He was then told that "the Bill will shortly be submitted to the Govt of India and will, it is hoped, be introduced in this Council during this cold weather." The Bill was forwarded to the Govt of India with letter N^o 1640, dated the 19th December 1918. Mr. Moore has recently written to say that the Dept of Education of the Govt of India has approved the principles of the Bill ^{that it} ~~is now with~~ is now with the other departments of that Govt. The following reply may perhaps be given to the Addl. Member:—

"The ^{draft} Elementary Education Bill prepared by the local Govt is now ~~under the consideration of the Govt of India~~ ^{introduced} into the Legislative Council as soon as possible. The necessary preliminaries are completed."
