I would suggest

- ① The Govt. have no information
- ② The Govt. are unable to entertain the suggestion

If we are to answer the question asked, the reply to (a) is "Yes" for there are many students of backward classes who speak Tamil or Oriya or other vernaculars who do not know a word of English. If we are to reply to what we consider the questioner meant to ask the above reply suffices.

W 3.3.19

The A.H.M. clearly refers to the concession sanctioned for Oriyas. Perhaps we may word the answer (a) thus:-

- (a) The Govt. are not aware that students not knowing a word of Oriya are enjoying the concession rate of school fee on the ground they are Oriyas.

(b) as above
