Sir,

With reference to G.O. I have the honour to be,

Sir,

Subject: — University Professorship of
Indian Economics

The Syndicate accepts the
decision of Govt in regard to the retention
of the Professorship of Economics on a per-
manent basis and states that it may
probably have to address Govt for financial assist-
ance for providing the Professor with adequate assist-
ance. The Govt were unable to accept the
Syndicate's proposal to place the Professor-
ship of Economics on a permanent footing
chiefly because of financial restrictions
and it is doubtful whether they can
render any financial assistance
with a view to provide the Professor
with adequate assistance. To, how-
ever, the nature of the assistance
which the Professor requires and the
amount of financial assistance which
the Syndicate may require from the Govt
are not known, the Govt cannot make
any definite statement now and the
present communication may be

be recorded. It is probable that the Govt may not be willing to render any financial assistance towards providing adequate assistance to the Professor of Indian Economics, but the question may be left for consideration when propo of the Syndicate in this regard is received. For orders when the present communication may be simply recorded.
