I am directed to forward for information a copy of a despatch from the Secretary of State No. 3-Public (Students) dated the 20th February 1919 regarding the grant of increased war bonus to Government scholars at Oxford and Cambridge.

2. I am to request that the Government of India may be informed by telegram of the views of the Governor in Council as to whether the increased war bonus sanctioned for Government of India scholars from 1st April 1919 should also be given to Mr. Abdul Azim who is in receipt of scholarship from Provincial revenues.

No. 3.

To His Excellency the Right Honourable the Governor
General of India in Council.

My Lord,

The Government Scholars now studying at Cambridge have recently
Grant of increased war bonus addressed to me a petition asking that
to Government Scholars at Oxford some further increase may be made in
and Cambridge. the amount of the war bonus at present
paid to them.

2. After consulting various authorities on the subject, I have come to the
conclusion that, in consequence of the great rise in the cost of living which
has resulted from the war, a student who has no home in this country, and has
to meet the expenses of life in a college while in residence at Oxford or
Cambridge, now requires 300*l.* a year, and I have therefore decided to increase
the war bonus of all Government of India scholars studying at Oxford and
Cambridge Colleges from 5 per cent. to 20 per cent. from 1st April next.

3. As regards Government of India scholars studying at Oxford and
Cambridge as Non-Collegiate students, I have decided that their war bonus
shall be increased from 15 per cent. to 37½ per cent. from the same date, in
order to bring their income up to 275*l.* a year, the amount which I am advised
it is now necessary for them to have.

4. These increases will be granted for one year in the first instance, at
the end of which time the whole question of the grant of war bonuses to
Government scholars will be reconsidered.

5. In addition to the Government of India scholars there are at present
five students at Oxford and Cambridge Colleges with scholarships paid out of
Provincial Revenues. A statement regarding these five students is enclosed
herewith, and I would ask Your Excellency to consult the Local Governments
concerned and report to me by telegraph their views as to whether the
increased war bonus sanctioned for Government of India scholars from
1st April next should also be given to any of the five students in question.

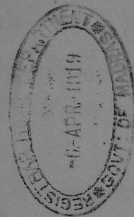

I have the honour to be,
My Lord,

Your Lordship's most obedient humble Servant,
(Signed) EDWIN S. MONTAGU.
