Station Madras, Dated the 3-2-1919

From (Name) The Honourable Mr. H. S. Duncan, M.A.,
(Designation) Ag. Director of Public Instruction.

To The Secretary to the Government of Madras,
Home (Education) Department.
Through the Accountant-General, Madras.
Sir,

(vii) In G.O.No. 1112 Home (Education) dated 30-8-1918, Government were pleased to sanction the payment of capitation allowance to certain teachers of the model section attached to the Higher Elementary Training School for Mistresses, Cuddalore. The case of the teachers of the model section of the Government Training School for Mistresses, Karantattangudi, Tanjore, is ~~is~~ analogous to that of the teachers of the Cuddalore School. The teachers of the Karantattangudi school state that they have not been paid capitation allowance from the time the school was converted into a Training school, and request that the scale of their pay may be placed

on the same footing as in other training schools, or that they may be given the usual capitation allowance or any other special allowance retrospectively from 1st March 1913. The addition of a training section to the school was sanctioned in G.O.No. 715 Edl., dated 5-8-1912 and that section was opened in March 1913. The Inspectress, should then have brought to the Director's notice, the loss of capitation allowance to the teachers by the conversion of the school into a training school when the question of compensating them for the loss would have been considered. She, however, failed to do so and it is not possible at this distance of time to compensate them with retrospective effect. Mrs. Drysdale reports that the case of the undermentioned three teachers only needs consideration as they cannot be transferred elsewhere on promotion. The pay etc drawn by the teachers concerned prior and subsequent to the conversion of the school into a training school and the amount of personal allowance which I would recommend are noted against their names.

to request that the amount of personal allowance recommended to each of the above teachers may be sanctioned with effect from the 1st April 1917 to compensate them for the loss of capitation allowance. I may add that continuance of the payment of capitation allowance to the teachers is not recommended for the reason that it will be difficult to calculate the amount due to these three teachers only out of a number of other teachers in the school, and that the question of abolishing the system of capitation allowance is now under consideration.

2. The personal allowances to the teachers, if sanctioned, will be met in the current year from the lump provision under "Salaries of teachers" provided for Government Training Schools in the Central Circle.

I have the honour to be,

Sir,

Your most obedient servant,

G. Krishnamoorti
for Director of Public Instruction.

Re. 283/B, from the D.P.D., R.C. 3003-3-2-6

The case of the three teachers in question is reported to be analogous to that of the teachers of the Lourdalur Training School disposed of in No. 112 Ed. 2, d/ 30th Aug. 1918. But a claim for compensation for loss of capitulation allowances can be justified only if the teachers under refer: were continuously employed in the Karmantatungudi School both before and after its conversion to a Training School. An exam: made with refer: to the establishment lists gives however the following particulars about each of them:—

Date of conversion of Karmantatungudi School into a Tg. School.	Name of Teacher	Particulars of service to with remarks
18 th March 1913	J. Rangamayaki	The establishment list as it stood on 1 st Jan 1913 does not show that a teacher of this name was employed anywhere in the Ed: Dept.: The list extended up to 1 st April 1914 makes mention of one J. Rangamayaki, as the IV add: Rs 20 p. M. in the Karmantatungudi School, whose identity with the present teacher may perhaps be presumed. But her services as shown as 6 months ^{on 1.4.14} not 7 months ^{on 1.4.14} not 7 months . The inference is that she was entertained on 1 st Oct: 1913, i.e. 7 months after the Training Section was attached to the

Item 89-p. 71.
of list for 1914.
(put up)

The authorities are: the teachers are in conflict that further information seems to be necessary.

2. Before the proposal is further considered, the file may be sent up to the D.P.D. with refer. to the foregoing remarks.

16.2.19
16.2.19
The acquiescence of the teachers to the abrogation of the allowance six years ago & their silence all these years should be taken as operating as a bar against the opening of the question now. It is immaterial whether it is the fault of the Inspector or otherwise. Such a claim as this cannot be put forward at this distance of time. The Cuddalore cannot therefore be quoted as a precedent. If the D.P.D. considers that a personal allowance is justified to any of the members of the staff, it is open to him to make an application in respect of the above consideration of the abolition of the Capt. allowance; & it should be pointed out whether all the conditions

laid down in the C.S.d for the grant of such allowances are satisfied. It is not also clear why it is stated that the teachers refused to be promoted because they are not qualified for such promotion.

17.2.19

In view of the analysis of the case made in the notes above, I cannot press for personal allowances for the teachers in account of capitulation allowances not being paid to teachers in the Training School, Kerantatangudi. I am requesting the Department to endeavor to transfer the teachers concerned at the earliest possible opportunity to other posts on such promotion as they are eligible for.
