D.O.No.234, dated the 21st April 1919, from the Superintendent, Government Museum, Madras.

My steamer is sailing earlier than was expected and I shall probably have to leave Madras on Thursday next (24th instant). I do not know if any arrangements have been made by Government for filling the Museum appointment between the time I leave and the arrival of Dr. Gravely. I may state, however, that Mr. J. Dodwell who acted on a previous occasion is I understand willing to act again.

Will you please let me know by wire to whom I am to hand over when I leave.

There will be no time to obtain orders.

So telegraph at once asking to hand over charge to his Personal Assistant as a provisional measure.

R.R.R.23-4-19.

With reference to Secretary's orders, a draft telegram is submitted below. The Government of India's reply to the telegram at p.3 c.f. has not been received. In any case Dr. Gravely is not likely to be available earlier than 1st October 1919. E.A.V.23-4-19

Submitted that there seems to be no objection to Mr. Dodwell being appointed to act until Dr. Gravel accepts and joins the appointment or until further orders. It is to be hoped that the additional charge will not interfere with Mr. Dodwell's legitimate duties. As Mr. Dodwell seems, to be willing to act, it is not necessary to consult him now. (The question of fixing Mr. Dodwell's emoluments will be considered in Home (Education)).
