and that 30 or 35 of them would be promoted to the VII standard in July next. He accordingly proposes the employment of an additional teacher on Rs.40/- per mensem for a period of one year from 1-7-19 to be in charge of the new standard to be formed on that date as also the continuance for another year from the same date of the teacher on Rs.30/- per mensem sanctioned for the VI standard. The proposal commends itself to me and I have the honour to request that Government will be pleased to accord their sanction to it.

2. Provision for the continuance of the teacher on Rs.30/- has been included in the Budget Estimates for 1919-20 and I beg to request that provision be made therein for the salary of the additional teacher at the rate of Rs.40/- per mensem for 8 months during the above year. Should this provision not be possible at this date, its additional cost will be met by reappropriation.

3. The existing staff of the model school consists of 5 permanent teachers on Rs.25/-, 2 (20/-), 15 and 12 and one temporary teacher on Rs.30/- per mensem.

I have the honour to be,

Sir,

Your most obedient servant,

Christiansen
for Director of Public Instruction

Subject - Continuance of the VI Standard and opening of the VII Standard in the model school attached to the Govt. Training School, Malappuram.

It is submitted that the proposals ~~may be~~ ~~generally approved~~. seem reasonable and may be generally approved with the concurrence of financial. It is, however, observed that in the case of the model school attached to the Training School at Rayachoti a delay of only Rs. 35 (against Rs 40 proposed at present) was sanctioned for the teachers of the VII (or VI) Standard - for no 848 Rd & 6th August 1915. For over whether the D.P.D. may be asked w.o. to take if this rate cannot be adopted in the Malappuram school also.

The teacher at Rayachoti is granted a least allowance not exceeding 57 in pay i.e. his total emoluments amount to Rs 42 p.m. The Malappuram revision also cont. for giving a pay of more than Rs 35 p.m. for the school ought to be stopped by Government Teachers, who

an difficult to obtain - the demand for qualified
 teachers exceeds the supply. It is more
 economical to fix the pay at Rs 40 than to fix it
 at Rs 35 plus a local allowance, there is the additional
 advantage that I can transfer, if necessary, a
 superior on Rs 40 to this post if it is fixed
 at Rs 40.

With reference to the Director's note above, attention
 is solicited to para. 6 (b) of his letter on page 15 of No. 424
 Vol. 8 1.7.11 and para. 11 of letter to the Govt. of India
 No 916 of 22.12.11, from which it will be seen that
 no local allowance is granted to the teachers employed
 in the model school attached to the Govt. Training
 institution at Mahabharatham. In view, however, of
 the other consideration urged by the Director, viz:
 that it is difficult to secure the services of
 qualified Muhammadan teachers, the proposal
 to fix the pay of the new teacher for the VIIth
 Standard at Rs. 40/- may be accepted. A draft
 order is submitted, if approved, it may be sent
 to the Financial department for acceptance.
