Dear Todhunter,

I am sending you a list giving particulars about certain candidates who have applied through the Central Employment and Labour Board for appointments in the Education Department. It is not proposed to place these names on the list of those deemed suitable for appointment to the Indian Educational Service. But perhaps Littlehales may like to know of them in case they are wanted in aided schools for Europeans.

Yours sincerely,

Patel

No. 7 appears a suitable person for employment in an aided European school, but very few European schools will be prepared to pay \$2000 p. m. If the Standard has no use for this list I hope it will be sent to me so that I may be in a position to advise managers of schools who may apply to me for advice on the appointment of teachers. Mr. Fairfield of the Lawrence O'Connell School, Portland, complained very much that he was unable to obtain teachers.
