Sir,

I beg to submit that I am a Matriculate employed as an acting clerk on Rs.30 in the Board's office. I passed the examination in the year 1916, and consequently I suffer under a disqualification for admission in to the Public Service.

I beg the Government will be graciously pleased to exempt me from this disqualification in view of the unusual circumstances - which are explained below - in which I was prevented from passing the examination before 1911.

I was promoted to the Sixth Form in the Government College at Mangalore in the year 1909. I was thus in the Matriculation class before the School Final Scheme was introduced. Soon after promotion I had an accident while at Gymnastics which proved so serious that I was unable to attend school and was under medical treatment off and on for three years. When I was considered fit to attend school I started where I had left off; but, owing to relapse of my illness towards the close of the last term, I failed in the matriculation examination held in March in 1914. Again, after remaining one year more under medical treatment, I joined the matriculation class in the Mission College at Calicut and passed the examination held in March 1916. It would

have

have been extremely hard for me - poorly circumstanced as I am, and having already lost three years - to go back two years and join the Fourth Form and study again for three years to qualify myself for the School Final Examination.

4 In these special circumstances, I pray Government will be pleased to direct that I may be considered to be qualified for entrance into the Public Service.

5 By caste I am a Hindu of the Tiyya Community. Both myself and my elder brother are members of the Indian Defence Force (Having been among the first to join) and another brother of mine (since deceased) was for three years in the Military Medical Service.

I beg to remain,

Sir,

Your most obedient servant,

A. K. Kumaran.

Acting Clerk, Board of Revenue,  
Separate Revenue.

Submitted for favourable  
consideration through H. A.

This is to certify that Arookandi Kizhakkadath Kumaran attended the high school classes of the Government College, Mangalore from June 1907 to January 1909 and discontinued his studies on account of illness, after he was promoted to the sixth form. He joined the sixth form again in January 1910 and was obliged to leave it in February 1910. He was readmitted in the sixth form in July 1913 and was sent up for the Matriculation Examination of March 1914.

have been extremely hard for me - poorly circumstanced as I am, and having already lost three years - two years and four months from the Fourth Form and about half for three years to qualify myself for the School Entry Examination.

In these special circumstances, I beg Government to be pleased to direct that I may be considered for entrance into the Public Service.

My dear Sir, I am a Hindu of the Niyogi Community. Both myself and my other brother are members of the Indian Defence Force (having been among the first to join) and another brother of mine (who deceased) was for three years in the Military Medical Service.

I beg to remain, Sir, Very much obedient servant,

Acting Clerk, Board of Revenue,

Subject — Requesting that A. K.  
Kumaran, a clerk in  
the Board's office may  
be considered to possess  
the minimum general  
educational qualifi-  
cation required for ad-  
mission into the Public  
Service

There do not appear to  
be any special grounds for making an  
exception in the case of the applicant.  
It may be observed that under the  
note to Art. 1 (3) of the Public Service  
Notification, persons who produce  
satisfactory evidence that they were  
pupils in the sixth form of a re-  
cognised school in 1909 and passed  
the Matriculation Examination in  
1911, 1912 or 1913 are considered as  
possessing the minimum general  
educational qualification required  
under Art. 1 of the Notification.  
The applicant had therefore three  
chances

chances after the S. S. L. C. Scheme came into force, of passing the Matriculation examination and making himself eligible for entrance into the Public Service. The only excuse for his not availing himself of these chances is that his state of health was so bad that he could not attend school. This submitted that this does not appear to be a sufficient ground for granting the applicant's request. If his prayer is granted, it may form an inconvenient precedent <sup>giving rise to</sup> several ~~such cases~~ similar applications. The remarks of the Revenue Department may be invited w.o.

The objections ~~is~~ that could be raised in this case ~~are~~ should obviously be <sup>only</sup> technical. The man has passed the Matriculation examination which is ~~fit~~ a qualification fit enough to enable him to take to Collegiate Course. Dates had to be introduced in the rules, because a start should be made somewhere. A matriculation of 1900 cannot evidently be ~~made~~

Superior educationally to one who matriculated in subsequent years. Ample ~~reasons~~ & adequate reasons have been given for the Clerk's not appearing for the examination in the <sup>(for not taking S.P.C. exam)</sup> earlier year. There cannot be many similar cases coming up quoting the present as a precedent. After all the Candidate has the necessary educational equipment for all practical purposes. He is a Bija & the Board recommends. We may sanction if Rev agree.
