Station Tinnevely., Dated the 25th March 1919.

From (Name) A. R. Cox Esquire, I.C.S.,

(Designation) Acting Collector of Tinnevely.

To The Secretary to the Government of Madras,
Home Educational Department.

Sir,

With reference to Government Memorandum No.2696 B.18-1, dated 13.2.19, asking me to report the stage in which the acquisition of lands for the Caldwell High School at Tuticorin stands now, I have the honour to report that the Sub Collector, Tuticorin passed an award on 16.12.1918 and that, as the petitioners applied to him under section 18(1) of the Land Acquisition Act, he has referred their cases to the District Court.

2. The lands notified for acquisition were originally

valued

valued at Rs.11,937-13-10, but an award was passed only for Rs.6,599-9-9, as compensation was allowed at Re.1/ a kuli instead of Rs.12 as originally estimated, except for 3 cents. There was also a decrease of 14 cents in the extent actually acquired and the Correspondent of the school has consented to this decrease.

3. As the sub-division number of the survey field -- originally notified in pages 49 and 50 of Part 1 B. of the Fort Saint George Gazette dated 29-1-1918 differs from that actually acquired in one case and another sub-division has not been acquired, an errata list and a notification for withdrawal from acquisition are submitted for favour of -- approval and publication in the Fort Saint George Gazette.

I have the honour to be,

Sir,

Your most obedient servant,

Draft to Revenue for acceptance.

10.4.19

To us.

The only point calling for notice is
the propriety of the ^(issuing) erratum notification at
page 7 C. 7. In the place of S. no. 231 B. / 109 B

- one of the fields notified for acquisition

(E) in G.O. no 58 Rev. dated 18-1-1918 - another
subdivision bearing S. no. 231 B / 52 B

be having different boundaries has been
acquired and it is sought to regularize

the acquisition now by the issue of
errata to the original notification. It is

submitted that this cannot be done and
that the formalities prescribed by the Act

will have to be gone through afresh after
the publication of a notification under section

in respect of the correct S. no (231 B / 52 B).

Home (Edm) may be requested to instruct
the collector accordingly and to call upon him
to explain how the mistake occurred.

Why not? The
issue of the notification
as in this case the matter
is preliminary to
the formalities prescribed
by the Act.

S/ There seems to be nothing against
the issue of the withdrawal
notification & the curata slip.
The only point is that when
they have been issued the
formalities for the acquisition must
be gone through for the lands
in question.

2 With refer. to Lary's order re: the communication of a copy of the smth. to the petitioners, it is respectfully ruled: that it was not proposed in the first instance, because there was no definite address re: any of them in the petition. An entry has however been now put in in the despatch with the available particulars as to address.

Subject of file.

Please examine whether we can with propriety, issue an erratum such as that proposed at this stage of the proceedings after an award has been made.

A. The changes proposed are major; we have no information whether the owners of the retractable new lands have been consulted. It should be not follow the usual procedure in respect of the new lands? I cannot understand how the acquiring officer came to acquire lands not perpet for acquisition.

CR
24.9

para 3-p. 6, c.f.

A. From the collector's report it appears that the award has been actually passed, the award taking into account the change of land now proposed. I do not think it is to regularize the award, but the erratum is now sought to be

notified

21

B The changes now proposed relate only to one Sub-Division No. - ~~the~~ the 2nd ~~one~~ in the notice with G.O. No. 58 & 2, d/18th January 1918. In this case the Survey Number is the same, only the Sub-Division ^{Nos.} are different. Instead of ~~221/B/109~~ 231/B/109. B it is proposed to put in 231/B/52. B, the difference in extent being only 1 cent. Both the Sub-Divisions belong to the same owner and before passing the award the acquiring officer will ^{surely} have consulted the owner. It may therefore be presumed that the small change is with the consent of the proprietor and possibly also at his instance.
