To The Secretary to the Government of Madras,
(Home) Educational Department.

Sir,

With reference to G.O. No. 1100, dated 28th August 1917, the Superintendent, Government Press, submits that he has received the Manuscript of the Index to the Topographical Inscriptions, after reminding the author several times. It is now possible to say that the work as far as received will make about 2100 pages, to be bound in full cloth in 3 volumes of 700 pages each. The actual cost of printing, with the usual percentage for commission allowed to Agents for sale of Government Publications, will be Rs 6636-0-0 for 600 copies or Rs 11-0-0 per set of 3 volumes

This does not include any provision for the

glossary and dynastic analysis referred to in para 3 of the G.O., the Manuscript of which has not been received and to which the author has made no reference, but it is presumed that they will not be bulky.
