pp1-2 cf

From Para. 1 of the Board's letter it appears that a general exemption for employment of the applicant in the Salt, Abkari and Customs department is recommended. It is, however, observed from column 2 of the application on page 3 c.f. that it is proposed to appoint the applicant as a Sub Inspector in the Salt Abkari and Customs Department. The draft which - - restricts the exemption to the post of Sub Inspector may, if approved, be sent to U.O. to Revenue (S.R.) for acceptance.

To US

Revenue Dept

Submitted that, in the circumstances explained by the Board (pp1-2 cf), the exemption applied for may be supported in this department. From col 3 of the statement on p.3 cf it would appear that Mr Roge has been appointed to the second grade of sub-inspectors (A, B) in pursuance of the policy laid down in para 722 of the Salt Manual that Europeans and Eurasians should not generally be appointed to the lower grades, and that it is the intention

Vol II, pp170-171

of the Board to promote him eventually
to an assistant inspector and inspector.
Submitted that the exemption now granted
may ^{be} generally ~~for his~~ ^{for his} employment
in the Salt, Akkari and Customs Deptt
and that the Home (Edn) Deptt may be
requested to omit the words "as a
sub-inspector" in the Draft order.

2'. With reference to the Home Secretary's
remarks on the previous page, it is
submitted that the Board has recently
been asked to reserve some posts of
sub-inspectors and others for ex-army
men ^{in the current year} and to fill them up in consultation
with the Secretary, Employment and Labour
Bureau - vide G.O. 619 Rev. of 17-3-49.
It may therefore be expected that such
applications from the Board for the exemption
of others than ex-army men will be few
hereafter and it seems unnecessary to
consult the Secretary, P.W.D. Bureau now.
With these remarks the case may be
returned to Home (Edn).
