Maymyo, the 12th April 1919.

SIR,

I am directed to say that the problem of the treatment of youthful offenders in this Province has been engaging the attention of the Local Government for sometime past, and instructions have recently been issued by the Hon'ble Judges of the Chief Court of Lower Burma and by the Judicial Commissioner, Upper Burma, to the Courts and Magistrates in Burma on the subject of the alternative methods of dealing with young delinquents. The Lieutenant-Governor is anxious to follow up these steps by examining the question of the feasibility of introducing a Children's Bill for Burma on the lines of the Children's Bill for Madras which it is understood has recently been under the consideration of the Government of Madras. His Honour will, therefore, be greatly obliged if, with the permission of His Excellency the Governor in Council, this Government could be furnished with a copy of the Madras Children's Bill or of the Act if the Bill has since been passed into law, together with copies of such connected proceedings as may be of interest in the examination of the question under reference.

I have the honour to be,

Sir,

Your most obedient servant,

Markandeya

Offg. Secretary.
