Sir,

In inviting your attention to my letter R.C.No.9512 of 1918 dated 20th December 1918 read in G.O.No. 177 Home (Education) dated 11th February 1919 regarding the continuance of the supply to the Law College, Madras, of 5 sets of the Allahabad series of the Indian Law Reports, I have the honour to state that it has now been represented to me by the Principal of that college that owing to the same misapprehension -- about the interpretation of G.Os.Nos. 375 Educational Mis dated 4th April 1916 and 1527 Home (Education) dated 3rd December 1917

only

In these circumstances I beg to request that Government will be pleased to arrange for the supply, at an early date, of four additional sets of the Calcutta series of the Indian Law -- Reports to the Law College, Madras and to request that with a view to avoid a similar misapprehension in future in the case of the Bombay series ~~and~~ similar steps may, if necessary, be taken with regard to the supply of that series also.

Mis

No. 588, dated 10 May 1919

In the circumstances stated by the D.F.I., the Government direct the continuance of the supply to the Principal Law College, Madras of five sets of the Indian Law Reports, Calcutta series.

Note. In the revised distribution
list of officers to whom copies of the

Indian Law Reports, Calcutta series are supplied it seems that the entry "one" copy ^{against Law College, Madras,} has presumably not been corrected into "five" as it should have been in accordance with the decision arrived at in the notes to G.O. No. 181 Jntd 2, 24-1-19. (B) The list was forwarded to the Supdt, Govt Press in original with the above G.O. and the Supdt states that the ~~draft~~ supply is in accordance with the revised distribution list. The Supdt may therefore be asked to supply four additional copies of the Calcutta Series. There seems no necessity to take any steps in regard to the supply of copies of the Bombay series since the five copies of the series are being received by the Principal, Law College, Madras.

The draft is subd for approval.
