The humble petition of M. A. Shaikh Fariduddin Sahib, 3rd Assistant Record-Keeper on Rs. 20/-, District Court, Tinnevelly and son of Mohamed Aminuddin Sahib residing at Saliar Street, Tinnevelly Town

MOST RESPECTFULLY SHOWETH:

That the poor and humble petitioner begs to submit the following few lines for Your Excellency's kind and merciful consideration and favourable orders and craves Your Excellency's pardon for venturing this humble petition to occupy Your Excellency's attention.

That the poor petitioner comes of a very ancient Musulman family well-known for its respectability and nobility in Southern India. That his great ancestor came from Medina in Arabia and settled in India. - His forefathers served as ministers in the Courts of - the Nawab of Karnatic and the Maharaja of Arni. The The petitioner's great grand father served as a Subaidar in the British Cavalry, whose sons, that is the petitioner's grand-father Shaikh Fariduddin Sahib and his - brother Mohamed Madar Sahib served respectively as District Court Pleader and District Munsif in the Tinnevelly District. The petitioner's paternal uncle Mohamed Mahmoodudeen Sahib Bahadur is the Persian Munshi in - C.M.S. College and an Honourary Magistrate of Tinnevelly. His wife's uncle G. Mohamed Sarvar Sahib Bahadur is the Second Magistrate in the Civil and Military Station, Bangalore on a salary of Rs. 350/-. The petitioner's mother, a native of Madras, was one of the members of the Royal Family of the Karnatic. Thus the petitioner's forefathers and relatives have rendered and are rendering loyal and meritorious services to the Benign BRITISH GOVERNMENT.

That the poor petitioner has passed the Lower Secondary Examination and has made a fair progress in - education, having appeared for the Matriculation and - Upper Secondary Examinations in which he was unfortunately unsuccessful in spite of his hard word and intelligence, though he succeeded in passing the English and Vernacular subjects. He has a good knowledge in English, Persian, Hindustani and Tamil. Owing to ill-health, the petitioner could not continue his studies any further. The Upper Secondary Examination was -

abolished in the very next year after he appeared for it. The petitioner is now prevented from appearing in private for the Matriculation Examination and the School Final Examination which took the place of Upper Secondary Examination entails the under-going of training in schools previous to appearance for the examination which the petitioner is not in a position to undergo. Thus, in short, the petitioner has been deprived of every hope of ever passing any of these examinations.

That the poor petitioner served as Hindustani Munshi in the American Mission College, Madura, for a period of about one year and a half giving entire satisfaction to the students and the College authorities. With the intense desire of serving the British Government he gave up that post and joined the Revenue Settlement Office in the Tinnevelly District on the 29th Jan. 1907 and served there for about 5½ years. After that he joined the Revenue Department and worked as a clerk in the Deputy Tahsildar's Office, Sattankulam for about one year, after which he joined the Judicial Department as a clerk in the District Court of Tinnevelly where he is working now. Thus the petitioner has put in a permanent Government superior service of more than 12 years and from the very beginning he has been discharging his duties to the entire satisfaction of his superiors and is now well acquainted with almost all the branches of work in connection with the departments in which he was tried. The copies of the testimonials granted to the petitioner by various respectable gentlemen both official and non-official are enclosed for kind perusal.

That according to the rules of the Government service, the petitioner cannot hope to get any promotion

above Rs. 20/- per mensem simply because his failure to pass the Matriculation or Upper Secondary Examinations stands in his way. Since passed and qualified candidates are available everywhere, the petitioner will have to rot under Rs. 20/- per mensem throughout his service with all his future prospects blighted even after a useful service of more than 12 years. The depressed circumstances and the family burden which has devolved on him owing to certain casualties in the family do not permit the humble petitioner to prosecute his studies under the new system of education. Under the present circumstances the petitioner cannot dream of getting any promotion unless he is exempted from the general educational qualifications. The fact that the petitioner is a helpless Muhammadan belonging to a noble family once in good circumstances deserves the sympathetic consideration of the Government.

Under these circumstances, the petitioner most humbly begs Your Excellency to be graciously pleased to exempt the poor petitioner from passing the general educational Test for Government service and thus encourage a poor member of a noble Musalman family as a great mark of benevolent favour out of generosity.

For which act of charity, benevolence and -- generosity the humble petitioner shall, as in duty, bound ever pray.

Shaikh Fariduddindahil

Tinnevelly,

21st MARCH, 1919.

Petitioner.
