No. 2167/19

Station Madras, Dated the 19-3-1919

From (Name) The Honourable Mr. R Littlehales, M.A.,

(Designation) Ag. Director of Public Instruction.

To The Secretary to the Government of Madras,

Home (Education) Department.

Sir,

In G.O.No. 1095 Edl., dated 22-11-13, the Government sanctioned a grant of Rs.3,950 on an approved estimate of Rs.7,900 towards the cost of construction of a building for the Danish Mission Elementary School, Keelur, South Arcot District. For reasons stated in the Correspondent's letter dated 6th March 1919 (copy enclosed) the work was not proceeded with and a revised estimate amounting to Rs. 11,000 was submitted for sanction. In submitting herewith this revised estimate, I have the honour to recommend that in modification of the G.O. above referred to a grant of Rs.5500 may be sanctioned, to be paid when funds become available.

2. The approved plan and a copy of the original estimate are also herewith sent.

I have the honour to be,

Sir,

Your most obedient servant,

Raame

for Director of Public Instruction.

Letter from the Correspondent, Danish Mission Elementary School, Keelur to the Director of Public Instruction, Madras dated 6th March 1919.

I have the honour to submit to you again the school building plan and the estimate sanctioned for the Danish Mission Higher Grade Elementary School, Keelur in G.O.No. 1095 Edl., dated 22-11-13 for revision and favourable orders.

(1) During the time the first estimate was sanctioned the great European war was begun and the prices of the building materials were very much raised and consequently our contractors found that it was quite impossible to begin and finish the building within the sanctioned estimate and therefore the Inspector of the Circle was consulted, who however asked me to submit a revised estimate for submission and recommendation.

P. N. The revised estimate went to the cost of Rs.11,000 as against the first estimate with a cost of Rs.7900. I regret that the construction of the said building was postponed on account of the stress of the war everywhere and the Director himself was not inclined to recommend the sanction of Rs.1600 which is the half of the surplus cost.

2. I am glad to report that the Danish Mission Home Society not only granted Rs.5500 but also forwarded to the management the said amount to begin the building at once.

3. That the management fully trusts as the present school building is quite ~~improbable~~ impracticable and unattractive under proposed building the school will increase in strength and usefulness.

I therefore very earnestly request you to be kind enough to recommend the sanction of the Rs.5500 which is half the cost of the new building.

Raame

for Director of Public Instruction.

E. W. NOTE.

In G.O.No.1095-Educational dated 22-11-1913 the Government accorded their approval to the construction of a building for the Danish Mission Elementary School Keelur, South Arcot District at a cost of Rs.7,900/- and sanctioned a grant of one-half of the total cost.

II. The Director of Public Instruction now submits, for approval, a revised estimate of Rs.11,000 for the work.

III. The revised estimate has been examined in the Chief Engineer's office and the remarks thereon are summarised below :-

(a) As the current schedule of rates themselves provide for sundries, the extra provision ranging from as.3 to 4 allowed in the data is considered unnecessary and has been omitted.

(b) A sum of Rs.180 against unforeseen works is not required and has been deleted.

(c) The comparative statement contained many clerical errors and corrections wherever necessary have been made.

(d) Owing to these alterations, the amount of the estimate has been reduced from Rs.11,000 to Rs.10,820.

IV. Duplicate copy of the revised estimate should be submitted for record in the Chief Engineer's office.

V. With these remarks, the revised estimate of Rs.10,830 as corrected in this office is recommended for approval in supercession of the one referred to in para (1) above.
