From (Name) The Honourable Mr. R. Littlehailes, M.A.,

(Designation) Ag. Director of Public Instruction

To The Secretary to the Government of Madras,

Home (Education) Department.

Sir,

In G.O. No. 1346 Home (Edn) dated 17th October 1918 a grant of Rs.4,400 was sanctioned towards the cost of constructing a building for the Canadian Baptist Mission Girls School, Vizianagaram. During the progress of the work, the P.W.D officers advised that the foundations should be dug much deeper than what was provided for in the original estimate. The adoption of this suggestion is said to have involved an additional expenditure of Rs.480 over and above the sanctioned estimate amount vide the enclosed supplemental estimate and copy of the Executive Engineer's letter

Letter from the Executive Engineer, Vizagapatam Division
No. 441 M dated 10th April 1919.

With reference to the above I beg to report that the supplemental estimate has been checked by me with reference to the sanctioned original estimate and that the rates provided are reasonable. The total amount of the supplemental estimate has been reduced from Rs.520 to Rs.480 on account of the following reasons.

1. Error in calculations in random rubble in line mortar which reduced the amount by Rs.8-0-0
2. Amount of Rs.10 provided for filling in side of foundation which was reduced to Rs.5-0-0 as Rs.5-0-0 is quite sufficient for the item.
3. The item carrying earth outside is unnecessary so long as provision is made for extra labour in deep foundations.
4. The amount of Rs.20 provided under contingencies is not necessary and the amount was reduced to Rs.3-0-0.

Copy forwarded to the Director of Public Instruction, with reference to his memo No. N.R.C. 664/18 dated 6th March 1919 which is herewith with its enclosures. The estimate as revised by my Sub Divisional Officer may be adopted.
