From (Name) The Honourable Mr. R. Littlehales, M.A.,

(Designation) AG. Director of Public Instruction

To The Secretary to the Government of Madras,

Home (Education) Department.

Sir,

A grant of Rs.4035 was sanctioned in G O No. 334 Home (Edn) dated 12th March 1918 towards the cost of constructing a dormitory etc for the Victoria Girls' School, Tuticorin. The Correspondent submitted the enclosed revised estimate for sanction on the ground that the building rates had increased considerably. The Executive Engineer to whom this was sent for scrutiny states that the increased rates are reasonable, but that only 5 per cent on account of sundry charges should be allowed instead of 15 per cent vide his letter No. 475 M dated 27-2-19 (copy enclosed). The excess cost as approved by the Executive Engineer comes to about Rs. 1634. I have the honour

Letter from the Executive Engineer, Tinnevely Division to the Director of Public Instruction, Madras, No. 475 M dated 27th February 1919.

Referring to your Ref. on Cur. No. 9021/17 dated 12th November 1918 I have the honour to state that the increased rates provided for in the revised estimate for constructing a Dormitory, ~~fix~~ latrine and compound wall to the Victoria Girls' School at Tuticorin are reasonable but they should be ~~examined~~ considered as including the charges for scaffolding which should not be separately paid for.

Only 5 per cent on account of plans, sundry charges and supervision can be added to the revised estimated amount provided for in the original estimate and not the 15 per cent as provided for in the revised estimate. The excess provision of Rs. 25 for painting doors and windows may also be passed on ~~credit~~ condition payment is made on detail measurements when work is completed.
