Sir,

In forwarding herewith a petition from one M. Narasimhan, a permanent clerk on Rs.20/- in this ----- circle, requesting that he may be permanently exempted from the examination rules to hold posts carrying a pay of Rs.40/-, I have the honour to advocate his case with a strong recommendation.

2. This history of the clerk's service will be found in his petition. He is an unpassed candidate and yet he is much better than the present day school final candidates. I have known his work even prior to 1913, and in spite of the fact that he has been placed in charge of responsible duties since then, he has acquitted himself creditably and earned uniformly good reports from all the

officers under whom he has served. In 1916 he was placed in charge of the stores in the Godavari Northern Division and in that connection he was recommended in this office No.26-W. dated 6-1-17, for exemption up to Rs.35 or 40; but Government were pleased to issue orders in G.O.No.1241-C. dated 17-2-17, that no exemption was necessary for the clerk to hold the Store clerk's place as the pay thereof was only Rs.20/-. The general question of exemption for the clerk thus inadvertently fell through. The clerk has since maintained his reputation as a good worker and with his experience I consider that his further advancement in the department will be in the interests of the service. I may state that really it is extremely difficult to obtain good men in these parts.

Honoured Sir,,

The humble representation of M.Narasimham Clerk, Godavari Northern Division, most humbly and respectfully sheweth:-

(1) That the petitioner worked as an acting clerk off and on from 1906 to 1909 in the late Godavari Northern Division and was entertained as a temporary clerk on Rs.15/- in 1910. That ever since his entertainment he has been giving entire satisfaction in all the branches of clerical work which fact is illustrated by the good testimonials and recommendations given by the most of the officers he had the fortune to serve under and by the special consideration given to him through the appointment of Bill writer on Rs.30 in preference to senior passed clerks vide Memo.No. 3938--C. dated 7-7-1911 and Superintending Engineer's No. 1215--G.N. dated 13--7--1911.

(2) That with standing the facts that all along the period of four years of the temporary service he worked so well as to keep a uniformly good record of his service than most of the permanent hands, the examination ruled stood in the way of bettering his prospects and that at last in acknowledgment of his hard and unblemished service and on your honour's strong recommendation

as Executive Engineer, Godavari Eastern Division (G.E.Dn. No. 153-S dated 15--2--1913) he was confirmed in the year 1913 on receipt of G.O.No. 226-Finl: dated 4--3--1908 in which the benign Government was so gracious to allow certain concessions to unpassed candidates.

(3) That after his confirmation he was deputed to work in the Boat office and thence to T.R.S.Division and finally to Godavari

This is the second application
for examination. The first application
was made in 1908 and was not
successful. (G.O. No. 153-S dated 15-2-1913)

The candidate holds a certificate
of appointment to a post of

and is entitled to be considered
for the post of clerk in the
Godavari Northern Division.

Northern Division where he was tried in all branches. That
in these offices also he could be able to maintain the repu-
-tation of being one of the smart and intelligent clerks.

(4) That the petitioner ventures to mention as can be seen
from the enclosed copies of testimonials and from his personal
file he is in no way junior in service or inferior in capabili-
-ties, ^{to} than his co-unpassed clerks who have had the fortune of
being exempted from the examination rules and promoted to higher
grades.

(5) That not with standing the fact that the petitioner is only
a clerk on Rs. 30 he has been practically discharging with
efficiency the duties of an establishment clerk, maintaining
stock registers and accounts, regulation of grants, preparation
of budget estimate etc., (which are usually performed by a clerk
on Rs. 40 or 35) as he has been entrusted with these duties,
in the Division
evidently for want of better men equally suited for the post.

(6) That the petitioner begs leave to mention that the only
exceptional service that can be rendered by unpassed candidates
so as to merit special recommendation at the hands of higher
authorities for promotion to higher grades is to satisfactorily
discharge the duties of clerks of far higher grades in the Depart-
-ment and to please the superiors with their work better than
the passed permanent clerks of higher grade in every branch of
the Department, and this service is being rendered by the petitioner
in a remarkable degree as can be seen from his record service.

(7) That in this connection the petitioner most humbly and respect-
-fully begs to bring to the benign notice of the Superintending
Engineer that though every clerk of the Department, has been in
one way or other benefitted to a great extent by the results of
the reorganization scheme introduced into the department the
petitioner is the only one that has not attained any benefit
over his present salary of Rs. 20 ^{as} ~~which he has been~~ ^{was} ~~drawing~~ ^{Rs. 20.} long
before the scheme came to the effect and finds it very difficult

to get on in these days of scarcity with the scanty pay of Rs.20 and ~~he~~ covets an increase in his salary and it is therefore requested that this fact also may receive kind and sympathetic consideration of the Superintending Engineer in conjunction with the other qualifications of the petitioner already enumerated above.

(8) That the petitioner in conclusion prays that his case may kindly be taken up and viewed in the same way as in the case of several other unpassed candidates of the department who have already been recommended for promotion so that his case may not be a solitary instance of the kind in which concessions granted to his co-clerks are ^{drawn down} withdrawn and that he be exempted from examination rules and promoted to Rs.40 atleast.

For which act of kindness and charity the petitioner ever prays for your honours long life and prosperity.

The petitioner begs to remain,
Honoured Sir,
Your most obedient servant,
