Sir,

(G)

In G. O. No.340 Educational Mis., dated 25th March
1914 the rent allowance of Rs.40 per mensem sanctioned
for the Higher Elementary Training School for masters,
Rajahmundry, was raised to Rs.100 per mensem. The
Inspector of European and Training Schools reports that
in view of the overcrowding of the classes, the present
building has been found to be quite insufficient to meet
the actual requirements of the school and that the owner
of the present building to whom the building adjoining

2

the school belongs has consented to rent the latter making at the same time certain additions and improvements on condition that the rent already sanctioned for the school is increased from Rs.100 to Rs.160 per mensem (Rs.150 for the buildings and Rs.10 for the open space required for playground). The Executive Engineer has certified that the increased rent demanded is reasonable. I have, in the above circumstances, the honour to request that you will be so good as to obtain the sanction of Government for raising the rent from Rs.100 to Rs.160. No other buildings are available and more economical arrangements cannot be suggested.

2. The extra expenditure involved by the proposal during the current year will be met by reappropriation.

I have the honour to be,

Sir,

Your most obedient servant,

R. A. Triune
