From (Name) Major-General G.C. Giffard, C.S.I., I.M.S.
(Designation) Surgeon-General with the Govern-
ment of Madras.

To The Secretary to the Government of Madras,
Local and Municipal (Medical) Department.

Sir,

I have the honour to forward herewith the accompany-
ing petition dated 15th November 1918 of Gaffar Baig,
Clerk, Government Royapuram Hospital, Madras, and to
recommend that Government will be pleased to exempt him
from the Educational qualification for appointments carry-
ing a salary exceeding Ra.20/-.

2. The clerk was employed in this office as an attender on
Ra.12 per mensem from 1904 to 1917, when he was appointed
a clerk in the Royapuram Hospital. During the period of
his stay in this office he proved himself to be intelligent
and

and industrious.

3. The statement of Syed Jaffar, Pensioned Sowar of His Excellency the Governor's Body Guard, corroborating the statement of the petitioner regarding his connection with the late Subahdar Major Ibrahim Baig, received from the Collector of Madras is forwarded for the information of Government.

I have the honour to be

Sir,

Your most obedient servant,

C. S. S. S.

Major-General, I.M.S.,

Surgeon-General with the Government of Madras.

To

The Surgeon-General with the Government of Madras,
Madras.

Through

The Superintendent,

Government Royapuram Hospital,
Madras.

The humble petition of Ghuffar Baig,
grandson of Subahdar Major Ebrahim Beg, "Sirdar Bahudur,
Palkin Nashim & Himmuth Jung, formerly of the Gun Lascar
Establishment, residing at No.9 High Road, Triplicane,
Madras.

Most Honoured Sir,

That in consideration of the
most distinguished service extending over 32 years'
service rendered by the late Subahdar Major Ebrahim
Beg, during which he fought various battles against
the enemy repulsing them with heavy loss on all
occasions, in connection with the annexation of
several ~~of several~~ dominions in India and of the
excellent and conspicuous acts of bravery and
gallantry displayed in the field, mounting the guns
without sparing time and labour under heavy fire
exposing himself at the head of his men quite heed-
less of impending danger and the eventual loss of
his life for the cause of the British Crown & the
Flag, he was granted and awarded several medals &
Clasps in token thereof. There were special mentions
made in the various despatches made to H.E. - the
then Viceroy which won for him the highest approba-
tion of his useful and hazardous service and the
grant of a palanquin with the distinguished title
of "Himmuth Jung" conferred on him and the allowance
attached thereto on his retirement from the service.
The late Subahdar Major having obtained all the
distinctions admissible to an Indian Commissioned
officer of the highest rank, he was granted a superior

rate of pension with the continuance of the allowance of Rs.60/- a month during his life time, the concession to be extended to three generations after his death. It has been ascertained that the late Subahdar Major was pensioned in 1883 and his pension certificate number was 50988 - a reference is most humbly invited to Bengal G.G.O. dated 19th April 1859 bearing on his splendid Military actions. (Republished in Madras G.O. dated 29th April 1859)....

A special recommendation appears to have been then made for the grant of Jaghir of land or the grant of the assessment of Revenue - in lieu thereof, but before the grant was decided the Indian Officer passed peacefully away from this earthy scene, leaving a daughter, and a son who was then a minor named Rahim Beg under his guardianship. Subsequently, this allowance was continued to the daughter for the maintenance of the family at a diminished rate of Rs.15/- a month, which the record may show that she never did enjoy as it was considered an inadequate concession, the result being that it was totally discontinued.

2. That Your honor's petitioner is the grandson of the late Subahdar Major(i.e) the son of the minor above referred to, and as such he belongs to the third generation eligible for continuance of the allowance of Rs.15/- granted to the daughter of the late Subahdar Major. Your Honour's petitioner, however, does not in this representation claim the allowance or any portion of the Jaghir of land which would have been assigned to the late Subahdar Major, if he had survived until final order were issued in his case.

3. That your honor's petitioner's maternal grand-father Shaik Imam was Subahdar Major in the late Sixth and subsequently in the 1st M.L.C., who also highly distinguished himself in the original Annexation of Burma in 1840 and obtained Medals and Excellent testimonials. Copies attached for your honour's kind perusal.

4. That your honour's petitioner was through sheer ^{want} of means precluded from continuing his studies in further classes than the Preparatory to the Matriculation standard, and therefore can read and write tolerably well - English with a special knowledge of Hindustani. He is at present employed as a clerk on Rs.20/- a month in the ~~Office of the Surgeon,~~ ^{Cant Royapuram Hospital} ~~1st District,~~ Madras, but his earnest desire for the promotion to higher appointments is debarred owing to want of Educational qualifications of Superior standard. He is given to understand that the special sanction of the Government for exemption is required to the appointment of unpassed candidates and that in many similar claims where they belong to respectable families of Officers who excelled and fully aided the British cause - they were freely granted the exemption and the appointments given accordingly.

5. That, in these circumstances, the poor petitioner prays your honour may be graciously pleased to favourably consider his hard case and mitigate his hardship as he is passing hard days with his present inadequate pay of Rs.20/- a month, by vouchsafing the grant of exemption from passing the prescribed texts so as to become eligible for appointments carrying a salary exceeding Rs.20/- a month.

That for which act of kindness, your honour's petitioner shall, as in duty bound, ever pray.

I beg to remain,

Most Honoured Sir,

Your most obedient Servant.

The Collector of Madras,

SIR,

In resubmitting your endorsement Reference. A. 503/18 dated 20th December 1918, I beg to report that the Revenue Inspector has verified Guffar Baig's statement that he is the grandson of the late Subadar Major Ibrahim Baig.

2. The petitioner first directed the Revenue Inspector to one Muhammad Ibrahim Sahib, for verification of his statement for information about the relationship. But this man had no personal knowledge of the relationship. The petitioner then referred to one Syed Jaffer, a pensioned Sowar of His Excellency the Governor's Body Guard, who was personally acquainted with the late Subadar, the petitioner's father and the petitioner. He was absent at Arcot for some time and on his return, the Revenue Inspector recorded a statement from him on the 29th March '19. Hence the delay.

I beg to remain,

Sir,

Your most obedient servant,

Rs 20 and the grounds for exemption are
(1) that he is intelligent and industrious

ground could be urged in the case of
