Dated Nagpur, the 27 May 1919

Sir,

I have the honour to say that I have been receiving the whole of the Fort St. George Gazette published at Madras and that out of these only one part i.e. I-B contains information on educational matters which are of any importance to this Department. The other portions are therefore not required in this office. I shall be obliged if you can accordingly arrange to supply me in future with Part I-B only of the Gazette.
