From (Name) The Honourable Mr. R. Littlehales, M.A.,
(Designation) Ag. Director of Public Instruction

To The Secretary to the Government of Madras,
Home (Education) Department.

Sir,

I have the honour to submit herewith a copy of letter C.No. 987 of 1918-19 dated 18th March 1919 from the Principal, College of Engineering, Madras, on the subject of granting halting allowances to certain members of the staff, for the period of their halts in survey camp, beyond the 10 days limit prescribed in art. 1056 of the Civil Service Regulations and to state that these officers do not maintain camp equipment and servants as they are not touring officers.

Consequently the additional expenses incurred by them have been considerable. I have therefore the honour to recommend that daily allowances at full rates may be

sanctioned in the case of all concerned except Messrs. Old and Webster who may be given the actual daily expenses incurred by them, viz. Rs.4-8-0 and 4-9-0 respectively per day.

2. A statement showing the number of days spent in camp by the officers and the amount of halting allowance now asked for is submitted. Particulars of additional expenses incurred by the officers received from the Principal are also submitted.

I have the honour to be,

Sir,

Your most obedient servant,

HOME (Education) DEPARTMENT.

SIR,

-M-28CF

In returning herewith the enclosure received with
 Government Endorsement No. 1019-A-1 dated the 21st April
 1919, I have the honour to state that if Government are
 satisfied with the statement of the Director of Public
 Instruction explaining the necessity for the prolonged
 halts, and the extra expenditure that the officers mentioned
 in his letter were put to, there is no audit objection to
 Government in the Financial Department sanctioning his
 proposals to exempt the officers from the operation of
 Article 1056 of the Civil Service Regulations.

I have the honour to be,
 Sir,
 Your most obedient servant,

Deputy Accountant-General.

[CNo. 1227A] From the A.S. No. G. A. 2817 D. 13. 5. 19

Subject [Article 1056 of the b.S.R.]

The D.P.I. recommends the payment under article 1056 of the b.S.R. of daily allowances at full rates to certain members of the Staff of the College of Engineering, for halts in Survey Camp beyond the 10 days' limit. The usual practice is to sanction halting allowances only at half the usual rates in such cases. vide

- ② G.O. No 920 Home (Edu) D. 12. 7. 17 and G.O. No 1147 Home (Edu) D. 4. 9. 18

2 The grounds adduced in favour of the payment of full daily allowance are:-
(i) ~~the~~ officers do not maintain camp equipment and servants as they are not touring officers and hence are put to considerable extra expense while out in camp &

(ii) ~~the~~ Cost of living in camp this year exceeded the rates in 1918, which even then were high

3 The first of the two grounds is not new and is adduced every year whenever an application is made to Govt. It is for

Pages 1 + 7 of CF

Consideration whether in view of the high prices now prevailing, full daily allowance should be sanctioned as requested.

Attention is solicited to the notes to go No 920 Home (Edn) 8 12.7.17.

(G)

We may support the application as a special case. There must be real need for additional allowance during the present period of scarcity.

I am not prepared to sanction full rates for halts exceeding 10 days. Whenever the halt is long, the ^{advised} expense per diem is much smaller than in the case of short halts.

We have no details of "daily expenses", &c. There is no doubt that these include items not properly debitable to t.a. as for headquarters expenses not being proportionately reduced. There is of course some reduction, too far as can make out that is not allowed for. LD
