To The Secretary to the Government of Madras,

HOME (EDUCATION) Department.

Sir, Through the Accountant-General, Madras/.

In their order No.835 Home (Education) dated 25th June 1918 Government sanctioned the proposal to open a higher elementary training class in the Government Training School, Chicacole, for a period of three years from 1st July 1918 and to employ therein an Assistant on Rs.40 per mensem and a Drawing and Drill Instructor on Rs.30 per mensem. The Headmaster of the school reports that on account of the opening of the Higher Elementary class the work of the only peon now in the school has

increased and that he is unable to discharge it properly without assistance. It is stated that there are 11 teachers and eight classes and that the peon has to fetch the apparatus, appliances and museum articles required for these classes and taken them back when not required, has to look after the aquarium and animals kept for the purpose of Nature Study and has also to attend to out-door work which he is called upon to do. The Headmaster accordingly proposes that a second peon be employed and his proposal is supported by the Inspector of European and Training Schools. In these circumstances I have the honour to request that Government will be pleased to sanction with effect from 1st July 1919 the employment of an additional peon on Rs.8 per mensem temporarily for the remaining period for which sanction has been accorded in the G. O. quoted above to the maintenance of the higher Elementary training class, viz., two years.

2. On receipt of the orders of Government I shall sanction the necessary reappropriation of funds to meet the extra cost during the current year.

3. A statement showing the sanctioned scale of staff and establishment for the school is submitted herewith.

I have the honour to be,

Sir,
