HIS MAJESTY'S CONSULATE-GENERAL  
BANGKOK

March, 27th. 1919.

Sir,

His Majesty's Court for Siam has in its care as a ward in Chancery a Musulman boy named Yayah of about sixteen years of age, the son of the late Abdul Rahim of Bangkok. As both this boy and his father were born in Siam, the former (despite his being a ward of Court) will on his attaining his majority be enrolled as a Siamese Subject by virtue of Clause 4 of the Anglo-Siamese Registration Agreement of 1899. He is, however, of Indian extraction, his grandfather (Kowana Mahomet Ho qsein) having been a native of Negapatam, and for the present this Court is responsible for his education.

not put up

As a result of the loss of both his parents, Yayah has not been kept under very strict control. He resides with his step-mother and has been attending hitherto a day-school kept here by the Fathers of the Roman Catholic Mission. It is time that his training was taken in hand more seriously and that he was subjected to a more severe system of discipline. For his own sake his removal to a boarding-school is thus desirable.

Under these circumstances, I should be grateful if you could recommend to me any suitable Mohammedan institution in Madras Presidency which would be willing to

to undertake Yayah's education for the next few years.

The boy derives from his share of his late father's

estate an annual income of over seven hundred Rupees.

Rs. 700

I should much appreciate any further information as to terms for teaching and boarding, &c., with which you might be able to furnish me in connection with such institution or institutions as you may name.

I have the honour to be,

Sir,

Your most obedient Servant,
