My dear Swamikannu,

I enclose a copy of ^a ~~the~~ D.O. letter to Duncan suggesting that, if funds ~~had~~ been provided in the Budget, he might think it worth ~~while~~ to consider the possibility of acquiring ^a certain piece of land to serve as a playing ground for the students of the A.V.N. *College* in Waltair. This School at present has no suitable playing ground. As an aided institution, the initiative should presumably come from the Management, but the Director, if he sees fit, could, I suppose, suggest to the Management the propriety of taking action in the matter.

Yours sincerely,
Ry Carraw.

My dear Duncan,

I have been visiting Vizagapatam in connection with the Medical School there. The need of a playing ground for the students of the Medical School and for the students of the other Educational institutions was pressed upon me. Vernon, the Collector, at one time thought of a combined playing field near the Municipal Slaughter House, but an examination of the ground indicated that it is too swampy to be used for the purpose and some other site is needed. I have selected provisionally three Survey Nos, 1065, 1066 and 1068, as suitable for playing ground of the Medical School and an adjoining site, Survey No. 1064, might possibly be acquired also and utilized into a playing ground for the students of the A.V.N. College. I do not know whether you have provided any money for ^{grants for} playing grounds, but if you did this is no doubt a possible opening for utilizing it. *The cost of acquiring S^o 1064 is estimated at Rs. 2000 per acre & the extent at 8 acres.*

Yours sincerely,

Alf

NOTES.

Subject.

Provision of a play-ground for the Mrs. A. V. N. College, Vizagapatnam.

Home (Edn)

In the budget for 1918-19 a sum of 1 lakh was provided under grants-in-aid for the provision of play-grounds to aided institutions. Of this the Director recently surrendered .50 lakh and this will be reallocated for expenditure on the same object in 1919-20. It has also been proposed to set apart another .50 lakh for play-grounds in connection with the provisional distribution of the "un-allotted". If any scheme for the provision of a play-ground for the Mrs. A. V. N. College, Vizagapatnam, matures, it may not be difficult to find the required amount from the Budget allotment ^{for} next year.

2 For the present, definite proposals from the D. P. G. may be awaited (H. M's D.O. to Mr. Durward-p.2 ante).

Sufficient playing ground is already in the possession of the Mrs. A.V.N. College, Vijayapattanam.

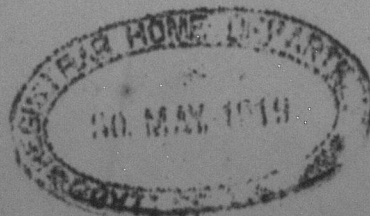

On a portion of this ground there are some huts occupied by low caste people (barbers, etc.); these have to be removed - also some trees which have to be felled and the ground requires some levelling. There is no need to acquire

additional ground for playing fields for this college. What is required is a much more active interest of the management in the

maintenance of the college in an efficient condition. The former Principal, (Mr. P. I. Srinivas. Aiyangar) who was anything but satisfactory of late years, has left the institution and I have given notice to the management that they should dispense with the services of one of their senior assistants who has been found guilty of ^{writing and} publishing obscene Telugu literature.

With these changes the college will stand improved, and steps will be taken to make the land which the college possesses suitable for use as recreation fields.

Will it be useful for "the students of the other Educational institutions" as indicated by Dr Alexander Andrew?

There is no other High School for Boys in Vyzapatam - the Canadian Baptist Mission High School, S. 1084 is at a considerable distance from this High School (about 2 1/2 miles). I suggested to the Inspector that this site might be acquired for the use of the C.B.M. High School but a hitch has occurred in the arrangements. I am awaiting a report from the Inspector, but unless the attitude of the management of the C.B.M. High School has recently changed, I do not think they will look upon the proposal with favour.

For orders whether the case should be kept open pending continuation of the result of the Director's correspondence with the Inspector referred to at 'A' on the previous page or whether the notes may be 'Recorded'.

There is nothing to be done here with the main subject in this file. The question whether the S. No. 1064 is needed for the

C.B.M. High School, which is itself very problematical, is a different one. We ~~may~~ may take it up for consideration when it comes up. We may record the papers.
