To The Secretary to the Government of Madras,

Educational Department,

Su,

Adverting to Government memorandum No.533 B-1, dated 6th May 1919, I have the honour to state that M. Gavarayya acting 2nd clerk, Deputy Tahsildar's office, Pentapadu put in a petition on 11th March 1919 through the Deputy Tahsildar who forwarded it to the Revenue Divisional Officer, Marsapur. After some correspondence the latter returned it to the Deputy Tahsildar, on the ground that it was not in proper form and that the matter was not one to be sent up to Government. On receipt of the Government memorandum under reply, I have obtained the petition which is herewith submitted along with the endorsement of the Revenue Divisional Officer Mr. Gopal Rao returning it to the petitioner.

2. In G.O.No.1549 Home (Educational) dated 7th December 1917 it was laid down that it was within the discretion of the appointing authority to prescribe any minimum number.

of marks which he might consider necessary in selecting S.S.L.C. holders for appointments. Mr. Campbell after consulting the Collector of Guntur about the practice existing in his district fixed the minimum at the Presidency average in the several subjects for employment of S.S.L.C. holders in the Revenue Department of this district. In this office D Dis No. 4149-18-7, dated 7th September 1918, Mr. Campbell issued orders that all S.S.L.C. holders who have not got marks above the presidency average should forthwith be ousted.

The petitioner's marks in vernacular composition as finally moderated is below the Presidency average.

3. To prevent the loss of too many experienced men, I have had to relax Mr. Campbell's rule slightly in favour of men with two years service prior to the date of Mr. Campbell's order but I see no need to relax it in favour of the petitioner whose service began only on 19-3-19. The Revenue Divisional Officer reports that the petitioner has been ousted.

4. I cannot see that the Revenue Divisional Officer, Mr. Gopal Rao was justified in withholding the petition. I have drawn his attention to U.S.O. 172/15.

I have the honour to be,

In his petition of 11.3.19, the petitioner stated that he was about to be ousted from his appointment as clerk in the Deputy Tehsildar's office, Puntapadu, on the ground that he had not obtained marks above the Presidency average in the public examination under the S.S.L.C. scheme and prayed (1) that he might be declared a passed candidate and (2) ~~that~~ permitted to appear for the special tests. He has since been ^{ousted from his post} ~~permitted to~~ appear for the Special Tests by the Commission for Govt. Examinations, presumably under the proviso to Article 4 of the Special Tests Notification. It would ~~be necessary~~ appear from para 2 of Geo. No 866 (Edn) of 2.7.18, under which the above proviso was issued, that no candidate who is not in the service of Govt. can be admitted to the special tests unless his S.S.L.C. shows that he has obtained marks not less than the Presidency average in the several subjects included in Group A etc. The petitioner has obtained only 39% in Vernacular Composition, while the Presidency average is 41%, and he could not have been permitted to appear for the special tests on the authority of para 2 of

of the Bio. quoted above. From the notification issued under the ~~notification~~ that Bio, however, it would appear that the restriction as to marks applies only to candidates whose names do not appear in the list of candidates declared by the University to be eligible for the Intermediate courses of study. It has also been ascertained from the B. G. E.'s office that the petitioner has been permitted to appear for the special tests as his name has been included in the list of S.S.L.C holders declared eligible for admission to University courses of study.

2. The petitioner's grievance is that he has been considered ~~as~~ ineligible for admission to the Public Service in spite of the fact that he has been declared eligible for admission to University courses of study and permitted to appear for the special tests. The position is no doubt anomalous, but it cannot be helped in the face of the fact the appointing authorities have been empowered to prescribe any minimum number of marks which they may consider necessary in selecting candidates for appointments. Moreover

the collector considers it unnecessary to exercise his discretion in favour of the petitioner. The petitioner's request that he may be declared eligible under Art. 1 of the Public Service Notification for admission to the Public Service may therefore be negatived.
