Secondary training class at Ranipet

Accepting the recommendations of the Director of Public Instruction to abandon the proposal to establish a — and to utilize the provision made for the purpose in the current year's budget on the reopening of the secondary training class formerly working at Saidapet.

READ—the following papers :—

I

Letter—from the Hon'ble Mr. R. LITTLEHAILES, M.A., Acting Director of Public Instruction, Madras.

To—the Secretary to Government, Home (Education) Department (through the Accountant-General, Madras).

Dated—the 20th May 1919.

No.—R.C. 1190.

In G.O. No. 498, Home (Education), dated 17th April 1919, communicating the sanction of the Secretary of State to the scheme for the establishment of model secondary schools it is stated that the secondary training classes now at Saidapet, Tanjore and Calicut should be transferred to Chittoor, Tiruvalur and Tellicherry, respectively, and worked in connexion with the institutions under Board management to be taken over under departmental management in those places.

Furthermore a provision of Rs. 4,000 for the opening of a secondary training class at Ranipet has been made in the current year's budget [vide Memorandum No. 206-A-1, Home (Education), dated 13th February 1919]. On further consideration I do not think that Ranipet is a suitable place for a secondary training class for the reasons (1) that the existing training school at Ranipet is only of the lower elementary grade, (2) that as secondary training classes are invariably attached to higher elementary training schools it will be necessary to have higher elementary training classes started at Ranipet with the necessary additional staffs if a secondary training class is opened there, (3) that sufficient accommodation does not exist in the school for the location of the higher sections and (4) that the place itself does not have any secondary school, the lower forms of which might afford practice to the secondary students under training, since most of the trained teachers of this grade find employment in secondary schools. In these circumstances I beg to suggest that the proposal to open a secondary training class at Ranipet be abandoned and that the provision of Rs. 4,000 made for the purpose in the current year's budget be utilized for meeting the cost of retaining permanently the secondary training classes at Saidapet. This training centre will offer facilities for the training of secondary grade teachers whose vernacular is Tamil, while the training classes at Chittoor will provide

for Telugu-speaking secondary grade teachers. The scale of staff and establishment for the secondary training school, Saidapet, may be similar to that obtaining in the school at present, as shown below :—
