HOME (EDUCATION) Department.

Sir,

The Principal, Teachers' College, Saidapet, reports that there are not enough copies of Bulletin No. 4 on Elementary Science which was first printed in 191³ for distribution among all the students to be admitted into the college in July next and that it has been found necessary to revise the bulletin in the light of the syllabuses for high school science work since issued in connection with the Secondary School Leaving Certificate scheme approved in G.O. No. 804, Home (Education), dated 15th June 1917 and of the experience gained during the past two years. He therefore requests permission to bring out a revised edition of the Bulletin.
