Sir, /Through the Accountant-General, Madras/

With reference to G. O. No. 925, Mis., Rev. (Special) dated 10th May 1919 regarding the appointment of Mr. Fye temporarily as whole-time Inspector of Industrial Schools I have the honour to state that I have arranged for Mr. Porret, to relieve him about the middle of June 1919.

2. As regards the conduct of his work as Manual Training Instructor during the temporary period of his absence on other duty, I beg to submit the following proposals. Apart

from the general organization and supervision of manual training at his Centre and in European Schools his work consists in the conduct of the teachers' classes at the European Special Subjects Training Centre at Madras, and of visiting European Schools in the Presidency and inspecting the drawing work and lecturing to the staffs; he conducts also teachers' classes in the morning on Saturdays in Drawing. He has an assistant, Mr. Rozario, on a salary of Rs.90-10-140 who may be placed in charge of the work at the Centre in Madras under the supervision of Mr. Porrett. There are three stipendiary students undergoing training at the Madras Centre and these may be transferred to the students class which is attached to the Teachers' College at Saidapet. If Mr. Porrett is placed in charge of Mr. Fyfe's work, he will, in addition to his own duties at Saidapet, have to visit the moffussal manual training centres to organize new manual training centres at selected training schools and to inspect and report on Drawing in European schools throughout the Presidency and to continue so far as is possible the Saturday morning classes in Drawing besides supervising the work at the Madras Centre. In order to enable him to manage the additional work, he should have an assistant capable of taking charge of the Manual Training Classes at Saidapet during ^{his} the periods of temporary absence on inspection duty. With the help of two assistants, viz., the one already at the European Special Subjects Training Centre and the other now proposed at Saidapet, Mr. Porrett should be able to manage for the time being all the manual training work in connection with European and Indian schools in the Presidency. I beg therefore to request the sanction of Government for the appointment of an Assistant Manual Training Instructor at Saidapet on a salary of Rs.90-10-140 temporarily for one year with effect

Sir,

for Director of Public Instruction

[No 1513A] From the D.P. Remo 315986. 6-4
Subject: Appointment of an Asst Manual Training Instructor.

In the circumstances explained in the Current letter, the Director's proposal to appoint an assistant Manual Training instructor at Saidapet may be approved.

2. The question of the appointment of a successor to Mr Tyfe is separately under consideration and when one is secured there would not be any need to retain the Assistant now proposed to be employed. It is therefore for consideration whether the period of the Asst's appointment may be limited to one year or until the appointment of a separate Manual Training instructor for the European Schools, whichever is earlier.

3. The Director has suggested a progressive scale of Rs 90-10-140 for the new Assistant. Since the appointment is only for a year it is submitted that the pay may be fixed at Rs 90/- per annum.

4. Subject to orders, a draft is submitted. If approved it may be sent to Jail for acceptance.

Though Mr. Brett's present engagement terminates in October next he is likely to be continued and proposals in this regard are due from the D.P. There is therefore no objection to the continuance of the Assistant beyond October if need be.
