Sir,

(N) With reference to para 2 of G. O. No. R 73 Home (Education)
dated 24th March 1919 I have the honour to recommend that on
account of the transfer of the post of Assistant Professor
of Geology from the Provincial to the Subordinate Educational
Service (Collegiate Branch), the reduction in the Provincial
Educational Service be made in the last or the Ninth Grade in
which the number of appointments is disproportionately large
and that the addition to the Subordinate Educational Service
(Collegiate Branch) be made to the first grade on Rs.200 in
which there are at present only two appointments. The

number of appointments in the several grades of the two cadres will then stand as shewn below:-

2. There is no audit objection to the proposal for the reduction of one appointment in the Provincial Education Service, 9th grade, and to the addition of an appointment in the Subordinate Educational Service, 1st grade on Rs. 200/- per mensem being sanctioned by Government in the Financial Department. Attention is however invited to paragraphs 6 and 9 of the Madras Government's letter No. 148, dated the 13th March 1909 to the Government of India wherein the Government of India appear to have been informed that the addition to be made in the Subordinate Educational Service on M.R. Ry. H. Narayana Rao vacating the appointment of Assistant Professor in Geology, ~~will~~ would be a post on Rs. 100/- and not on Rs. 200/-.

NOTES.

CN-12754. From the D.P.I., R.C. 2332/19 2254.

Subject. Alterations in the number of appointments in the Prov^t Ed^t Service and in the Sub. Ed^t Service, Collegiate branch.

When additions were made to the staffs of Gov^t first grade colleges in 1909, it was decided that the post of Assistant Professor of Geology in the Presidency College, which was held by Mr. H. Karayana Rao, should, from the date of his vacating it, be ^{transferred} ~~removed~~ from the Provincial to the Subordinate Educational Service. It was proposed that this transfer should be effected by the abolition of one post in the Sixth grade (Rs 350) of the Prov^t Service and by the addition of one post to the last grade (Rs 100) of the Subordinate Service, Collegiate branch. Mr. Karayana Rao has recently been appointed a Professor of Geology, Presidency College. The D.P.I. now submits proposals for the transfer of the ^(prof) Assistant Professor to the Subordinate Service. The prop^o

that the abolition of one post in the Prov^d Service should be in the last grade on Rs. 200/ and that the addition to the Subordinate Service should be to the topmost grade on Rs. 200/.

2. In the statement showing the number of appointments in the two cadres which is on page 2 of the current file, the D.P. has not taken into account the additions ^(which will shortly be) made to them in connection with the introduction of the model high school scheme. The existing number of appointments and the number in each grade from 1st June next are indicated below:-

In view of the fact that the number of appointments in the higher grades of the Prov. Service is very small, it may be felt as a great hardship if the abolition of one post is made in the R.350 grade. The D.P.L. proposal to reduce the number of appointments in the last grade by one may, it is submitted, be accepted.

3. The number of appointments in the Subordinate educational Service, Collegiate branch, is shown below: -

Please see para. 6 of note on page 5 of 12-4-19 (R)

Representations have been made to Govt. on several occasions that the pay of officers of the Subordinate Educational Service, Collegiate branch should be improved. The D.P.L. proposal to add one post to the first grade

grade may, it is submitted, be accepted
to. The file may be sent to the
Fin. Dept. for remarks.

Confining myself to the
specific issue raised in the current
letter — the conversion of a pool in the
PES into one in the S.G.s — ~~can~~
was originally decided & reported
to India that the pool to be
abolished should be one on Rs 50
& to be added one on Rs 100.

Can the SPG further
justify the present proposals?

It must be remembered
that the case of the PES is
being added to by the creation
of further appointments & the
whole will be reorganised shortly

Financial Dept.

Please see the Home (Edn) and the D.P.S notes above. In the circumstances stated by the D.P.S. This dept. may agree to the abolition of one post in the Provincial Educational Service in the last grade consequent on the promotion of Mr. Narayana Rao ordered in G.O. 75 Edn (R) 24.3.19.

2. As regards the addition of an appointment in the Subordinate Educational Service, the D.P.S. recommends ^{that it should be} the addition to the

in the
1st grade of the Cadre (pay Rs 200.)
Please see para: 9 of the letter to the Govt. of
India No. 148 D. 13. 3. 1909 in which it
was decided that only a post in the last
grade will be added when the post in
the Provincial Educational Service is
abolished. The following statement would
show that the proportion ^{which existed in 1909} in the various
grades of the Subordinate Educational
Service has ^(all along) been maintained, unlike
the Provincial Educational Service.
There is no reason therefore to make the
addition in the top grade. Moreover the
service has been substantially in-
creased by the creation ^{recently} of a new grade
on Rs 200 vide. G.O. 745 Edn. D. 26. 6. 14.

Strength and grading of the Cadre as it stood in 1909.	Strength and grading as will stand on 1 st June '19.	Strength and grading according to proportion as existed in 1909

* Includes one post then contemplated to be added to the Cadre when a post in the Provincial Educational Service is abolished.

* Includes the post which the D. B. now asks to be included in the 1st grade on Rs 200.

Statement on page 2 ante
and portion 11 on R.P. 2's
note on page 5 ante

It will be seen from the above statement
that the service has not been unduly
inflated in the lower grades as in the
case of the Provincial Educational Service
and that even ^{when} ~~if~~ the appointment is
added to the last grade, the proper proportion
in the grades will be maintained. It is
therefore for orders whether it is ^{that} ~~an~~ ^{that}
may advise ~~to make~~ the additional
^{should be created}
appointments ⁱⁿ the last grade. (P. 100)
