Issuing a Press Communiqué on the subject of the continuance of the — as recognized examinations for European schools in India.

Order—No. 823, Home (Education), dated 1st July 1919.

The following Press Communiqué is issued :—

PRESS COMMUNIQUÉ.

The Government of India have had for some time past under their consideration the question of the continuance of the Cambridge Local Examinations as recognized examinations for European schools in India. After a comprehensive examination of the system and its actual working, they have now come to the conclusion that in respect of European schools the Cambridge examinations have, in the absence of a well established system of departmental tests, a claim to be utilized in India and they have agreed to the retention of the examinations subject to the following conditions which will be applicable in the case both of Indian and European students, viz :—

(a) that the Local Secretary to be appointed by the Cambridge authorities for the purposes of these examinations in each province should be an officer nominated and approved by the Local Government;

(b) that no pupils should ordinarily be admitted either for the senior or for the Higher school certificate who have not been working at approved schools for a period of years to be fixed by the Local Governments concerned; and

(c) that without absolutely excluding the entry of students other than those admitted under (b) the admission of such students should be subject to such provisions as may be laid down by the Local Governments. The Government of India would expect the provisions so laid down to admit of the entry of such students in very special circumstances only and on conditions such as the receipt of a certificate from an educational Inspector that the student has pursued a regular course of study under proper discipline and has, after personal examination, satisfied the Inspector that he is fit to enter for the examination and has special reasons for requesting to appear at it.
