Dated the 30th June

From (Name) M. R. Ly, Rao Sahib H. Krishna Sastri, D.A.,

(Designation) Assistant Archaeological Superintendent for Epigraphy, Southern Circle,

To The Secretary to the Government of Madras,

Home (Education) Department.
St. Paul's House Hill.

Sir,

During my recent visit to Hampi Ruins in connection with publication work, I got a careful sketch made of a very curious Charm (Yantra) which is the object of worship in the temple of Yantra delhara Ka Hanuman close behind the Ramaswami temple. It consists of twelve jumping figures of the monkey-god Hanuman each holding the tail of one before it and all arranged round another Hanuman seated in the centre of a hexagon. In the

the interspaces of the whole Circle and the hexagon are
inscribed letters in Grantha and Kharoshtā Characters,
The interpretation of which would be an interesting
study for the scholars of Indian Epigraphy.

The Gantra is held to be a rare one of very great sanctity by the Community of Mādhva Parahmaras.

I have now the honour to request that permission may be granted as required in para 2 of Gov. No. 1255 Home (Education) Department, dated 27th November 1916, for the issue of a single plate with my current Report on Epigraphy. The Expenditure on this account may be met with from the existing budget allotment of Rs 200/- of this office under "Supplies and Services" - 'Preparation of Plates' for the year 1919-20.

I have the honour to be,
Sir,

Your most obedient Servant,

H. Krishna Dasgupta
